A Special Gift For Grammy:

Grammy's Bedtime Bible Stories Kathy Brooks, 2020-08-26 Many children today think that superheroes are only in today's comic books or movies But I wonder if they know that back in ancient times there were people who did miraculous things and were the old time original superheroes Have they ever heard of the man who survived being swallowed by a great big fish or the boy who defeated the giant soldier all by himself with a handful of stones Then there was the man who ended up in a cave with hungry lions What happened to him The greatest superhero of Bible times was the man who cured sick people just by speaking The heroes in this book are part of a collection of stories based on the Bible and told in common easy to understand language designed to be read as bedtime stories either by an adult or older child Each story teaches a lesson in an entertaining way with plenty of opportunity for questions and discussion Additionally modern ideas such as evolution intelligent design and the origins of the universe are shown to fit seamlessly into the Bible's version of history Not doctrine based this is a new way of looking at what might have happened all those many years ago with solid adherence to the timeless truths of the Bible itself

The Awakening of HK Derryberry Jim Bradford,2016-09-13 The Awakening of HK Derryberry is the inspiring story of the amazing relationship between a successful business executive and a young disabled boy with a dismal future Little did Jim Bradford know the transformational potential of that friendship for HK and himself HK Derryberry came into the world with the odds stacked heavily against him He was taken from his unmarried mother s womb three months prematurely when she was killed in a car wreck After ninety six days of seesawing between life and death HK s grandmother took him home One Saturday morning Jim Bradford a successful businessman in his mid fifties walked into Mrs Winner s Chicken and Biscuits and saw a nine year old s head pressed against a broken plastic boom box with a crooked antenna He couldn t help but notice the long white plastic braces on each of the child s legs Mr Bradford learned that HK s grandmother had been forced to bring him to the fast food restaurant where she worked leaving him to sit alone all day at a small table with only his boom box for company Every Saturday Jim felt drawn back to the restaurant to meet with HK and began spending every weekend with him Eventually it became apparent that buried beneath HK s severe disabilities was a spectacular ability He was diagnosed with Highly Superior Autobiographical Memory HSAM which enabled him to remember everything that

happened to him since the age of three Less than one hundred people have been diagnosed with HSAM but none of them have the physical disabilities of HK Derryberry In this moving true story you will Explore Jim and HK s enduring sixteen year friendship and the discovery of HK s remarkable gift of memory Be inspired to look deeper into the way you see others See how God works in the lives of His children despite their circumstances This incredible story shines a light on the struggles and the courage people with physical emotional and mental limitations have Be prepared to see how God works through it all to bring joy into the lives of those who trust Him
