A Tiny Step Away From Deepest Faith:

Tiny Step Away from Deepest Faith Marjorie Corbman, 2005 *A Tiny Step Away from Deepest Faith* Marjorie Corbman, 2005 In this candid thought provoking account seventeen year old Marjorie Corbman teaches the rest of us something about faith *The Most Difficult Journey You'll Ever Make* John Bunyan, 2006 The classic allegory of the Christian life re edited annotated and introduced by Tony Jones You Converted Me Saint Augustine (of Hippo), 2006 Augustine's Confessions has never been as accessible or relevant to young adult readers than it is now This modern day translation includes an Introduction and over 70 annotations to aid young adults in approaching this spiritual classic for the first time

Not Sure John D. Suk, 2011-09-02 In 2002 while touring North America with his wife in an RV John Suk lifelong Christian longtime pastor and noted leader in the Christian Reformed Church experienced a crippling crisis of faith He emerged from that dark time with a strange new gift doubt In *Not Sure* Suk takes readers on an eyes wide open deeply personal voyage through the past and present of Christian belief reexamining Christian faith in his own life and in fifteen centuries of Christian history through a skeptic's eyes He exposes major pitfalls of modern Christian movements and questions what he considers to be faulty paradigms the personal relationship with Jesus the health and wealth gospel and traditional ethnicity based belief systems In the end he is left clinging to what is for him a truer wiser kind of faith in Jesus Christ faith that struggles and lives with doubt *The Last Stupid Church Book You'll Ever Read* James Townsend, Benjamin

Samples, 2008-06 IN APPRECIATION FOR THE GREAT RECEPTION AND NUMEROUS SALES WE ARE NOW ABLE TO OFFER THE LAST STUPID CHURCH BOOK AT A LOWER PRICE FOR 2012 THANKS AGAIN TO ALL OUR READERS The Last Stupid Church Book You'll Ever Read is the ground breaking consummation of the author's voyage through today's Christian culture In this book they lay the groundwork for stripping away the outer wrappings and uncovering the true foundations of your belief Is it a social function Is it a psychological need Is it an economic investment Or is it Grace Out of the Norm Norman Smith, 2011-11 I first tried writing these little blurbs weekly some years ago when I became a pastor My office manager suggested I try to fill this much space in the church bulletin I started with the obvious and wrote a sentence or two about the morning's sermon topic Today we look at the way God led Joshua and see that He still leads us through our personal struggles today That was deadly dull I couldn't take it My own mind drifted off into the nether regions Slowly unplanned I began to find diversions I followed my own wandering thoughts I strolled along ethereal shores looking for pretty shells or interesting wave worn rocks Over three hundred of these musings have been the result Some are ridiculous and probably none is sublime but they reflect my mental meanderings If you choose to come along I'm grateful for the company Most of the topics may seem to appear with no rhyme or reason That is because it is so They were first dashed off as fillers Then I began to find the writing a brief respite in the week an outlet for my own interests I have always tried to observe and learn wherever I could from cereal boxes to the internet so the myriad magazines emails media pulp personal

encounters and random meetings that were woven into the pastorate as well as countless experiences from previous careers all provided grist for the mill The aim of all writing and the aim of life itself it seems to me is to tell the truth It may be in the form of fiction or fact but the goal doesn't change Writing a poem or repairing a motorcycle or remodeling a room or preaching a sermon I see them as all the same Work recreation ministry serving laughing call them what you will if done honestly all become worship For each moment for each task we are to be true to ourselves and to others I have tried to be so here In this little collection you will find again like life itself that the sacred moments must exist side by side with the trivial the holy with the profane Also I have not bothered to group by topic or date of creation An anecdote about Christmas may follow one about paper clips I figure it's easier to tell you that than to do the tedious work of careful collating Please try to make the best of it

The Synaptic Gospel Christopher D. Rodkey, 2012-01-06 In this book Christopher D Rodkey asks how the brain worships and responds by engaging ideas from neurological science philosophy ritual theory and religious education From this exploration two new paradigms for pastoral ministry emerge First Rodkey proposes a pan generational principle advocating an empathy based approach for fostering faith communities a principle that is radically inclusive to all generations Second Rodkey argues that worship and religious education should converge to include a shared goal of teaching individuals to live liturgically In The Synaptic Gospel Rodkey argues that living and thinking liturgically are learned behaviors that may be promoted through pan generational worship The book concludes with a special emphasis on practical suggestions for youth ministry The Synaptic Gospel will prove to be a useful theoretical tool for pastors religious educators youth ministers church music professionals and seminary students

Kneeling in the End Zone Josh Tinley, 2009-10-27 Kneeling in the End Zone takes the often overlapping worlds of sports and religion and turns them upside down Athletes coaches fans and broadcasters often bring faith into the world of sports whether through on field prayers post game interviews biblical bleacher signs or using faith language or scriptural metaphors to describe an incredible play or performance Kneeling in the End Zone aims to do the exact opposite using sports as a lens through which to look at the Christian faith It uses sports as a metaphor drawing parallels between scriptural stories and memorable tales from the field or court and looks at those transcendent moments in sports history that reveal larger truths about life
