allow the reader to gain fresh enthusiasm for even the most menial of garden tasks and realise that hundreds of women have trod the garden path before **Women Adventurers, 1750-1900** Mary F. McVicker, 2015-05-07 The past quarter century has seen a number of biographies and anthologies on women travelers but to date there has been little comprehensive reference work done on the travelers themselves Some of the women were eccentric many were very adventurous some were in search of a different world British women make up the largest portion of the book's focus these particular adventurers being backed in many cases by family money scientific inquiry and the ready availability of the British seafaring tradition Entries include the woman's family background her educational history and a summary of her world travels with in many cases evocative extracts from their writings many are literary gems **A Gallery of Her Own** Elree I. Harris, Shirley R. Scott, 2013-11-26 First Published in 1997 This book is intended as a resource for anyone interested in the artistic contributions and activities of women in nineteenth century Britain It is an index as well as an annotated bibliography and provides sources for information about women well known in their own time and about women who were little known then and are forgotten now
