A Slow Burn Defiance Texas Trilogy Book 2:

Thin Places Mary E. DeMuth, 2010-01-13 In her moving spiritual memoir Mary DeMuth traces the winding path of thin places in her life places where she experienced longing and healing more intensely than before As DeMuth writes Thin places are snatches of holy ground tucked into the corners of our world where we might just catch a glimpse of eternity They are aha moments beautiful realizations when the Son of God bursts through the hazy fog of our monotony and shines on us afresh From losing her earthly father to discovering a heavenly Father who never leaves from singing Olivia Newton John songs to the sky to worshiping God under a French sun from surviving abuse as a latchkey kid to experiencing the joy of mothering three children DeMuth's story calls readers to a deeper understanding of their own story With unusual spiritual wisdom she looks for God in the past so that she might experience him more profoundly in the present Her powerful words invite readers to know God in a new way a God ready to break through any ordinary day or extraordinary pain and offer a glimpse of eternity

Life in Defiance Mary E. DeMuth, 2010-04-29 In a town she personifies Ouisie Pepper wrestles with her own defiance Desperate to become the wife and mother her husband Hap demands Ouisie pours over a simple book about womanhood constantly falling short but determined to improve Through all that self improvement Ouisie carries a terrible secret she knows who killed Daisy Chance As her children inch closer to uncovering the killer's identity and Hap's rages roar louder and become increasingly violent Ouisie has to make a decision Will she protect her children by telling her secret Or will Hap's violence silence them all Set on the backdrop of Defiance Texas Ouisie's journey typifies the choices we all face whether to tell the truth about secrets and fight for the truth or bury them forever and live with the violent consequences
