Abraham Kuyper A Short And Personal Introduction:

Abraham Kuyper Richard J. Mouw, 2011-06-10 Richard Mouw was first drawn to Abraham Kuyper's writings about public life in the turbulent 1960s. As he struggled to find the right Christian stance toward big social issues such as the civil rights movement and the Vietnam War, Mouw discovered Kuyper's Lectures on Calvinism and with it a robust vision of active Christian involvement in public life that has guided him ever since. In this short and personal introduction, Mouw sets forth Kuyper's main ideas on Christian cultural discipleship, including his views on sphere sovereignty, the antithesis, common grace, and more. Mouw looks at ways to update and in some places even correct Kuyper's thought as he applies it to such twenty-first century issues as religious and cultural pluralism, technology, and the challenge of Islam. [The Oxford Handbook of Calvin and Calvinism](#) Bruce Gordon, Carl R. Trueman, 2021-07-28 The Oxford Handbook of Calvin and Calvinism offers a comprehensive assessment of John Calvin and the tradition of Calvinism as it evolved from the sixteenth century to today. Featuring contributions from scholars who present the latest research on a pluriform religious movement that became a global faith, the volume focuses on key aspects of Calvin's thought and its diverse reception in Europe, the transatlantic world, Africa, South America, and Asia. Calvin's theology was from the beginning open to a wide range of interpretations and was never a static body of ideas and practices. Over the course of his life, his thought evolved and deepened while retaining unresolved tensions and questions that created a legacy that was constantly evolving in different cultural contexts. Calvinism itself is an elusive term, bringing together Christian communities that claim a shared heritage but often possess radically distinct characters. The Handbook reveals fascinating patterns of continuity and change to demonstrate how the movement claimed the name of the Genevan reformer but was moulded by an extraordinary range of religious, intellectual, and historical influences from the Enlightenment and Darwinism to indigenous African beliefs and postmodernism. In its global contexts, Calvinism has been continuously reimagined and reinterpreted. This collection throws new light on the highly dynamic and fluid nature of a deeply influential form of Christianity. [The Calling of the Church in Times of Polarization](#), 2022-10-31 In many societies all over the world, an increasing polarization between contrasting groups can be observed. Polarization arises when a fear born of difference turns into us versus them thinking and rules out any form of compromise. This volume addresses polarizations within societies as well as within churches and asks the question: given these dynamics, what may be the calling of the church? The authors offer new approaches to polarizing debates on topics such as racism, social justice, sexuality, and gender, euthanasia, and ecology and agriculture in various contexts. They engage in profound theological and ecclesiological reflection in particular from the Reformed tradition. Contributors to this volume are Najib George Awad, Henk van den Belt, Nadine Bowers, Du Toit Jaeseung Cha, David Daniels, David Fergusson, Jan Jorrit Hasselaar, Jozef Hehanussa, Allan Janssen, Klaas Willem de Jong, Viktoria Kczi, Philipp Pattberg, Louise Prideaux, Emanuel Gerrit Singgih, Peter Ben Smit, Thandi Soko de Jong, Wim van Vlastuin, Jan Dirk Wassenaar, Elizabeth Welch, Annemarieke van der Woude, and Heleen Zorgdrager.

between these studies he draws from current conversations in psychology sociology critical race studies and other fields to deliver a vigorous critique of the worldview concept and its use as well as its underlying impulse and to unmask what world viewing shares with the history and spirit of whiteness This book is for those wrestling with the relationship between Christianity and whiteness in America how the dynamics of whiteness have become transparent and thus contentions and where to go from here if one is to follow Jesus
