Accompagner Deuil Périnatal Dialogues Professionnels:

Accompagner le deuil périnatal Cécile de Clermont, Jeanne [VNV] Rey, 2015-09-10 Chaque année on estime qu'environ 10 000 bébés meurent avant de naître. Une mort fœtale in utero ou une interruption médicale de grossesse suite au diagnostic d'une malformation incurable conduisent alors les parents à traverser la preuve du deuil périnatal. Parents et professionnels de santé réfléchissent ensemble depuis des années à l'amélioration de l'accompagnement de ce deuil tout particulier dont la traversée peut être facilitée par une prise en charge spécifique. Chacune de ses étapes de l'annonce du diagnostic jusqu'à la naissance de l'enfant suivant. Au travers d'entretiens, cet ouvrage relaie les changes de Cécile de Clermont, ancienne présidente de l'association Petite Emilie et maman concernée par le deuil périnatal, avec des professionnels de santé : gynécologue-obstétricienne, sage-femme, psychologue, etc., sur leurs expériences d'accompagnement, leurs difficultés, leurs doutes, leurs ressentis et leurs motions. Pour qu'ils soient partagés avec le plus grand nombre et que chacun puisse s'interroger sur ses pratiques et les faire évoluer. Et pour que les parents mettent du sens à l'histoire insensée qu'est la perte d'un bébé mort avant de naître. Petite Emilie est une association qui, depuis 2003, accompagne des parents confrontés à un deuil périnatal. De l'annonce du diagnostic à la naissance de l'enfant suivant, via son forum Internet et l'animation de groupes d'entraide, ce sont plus de 3 000 familles qui ont été accompagnées. L'association s'adresse également aux professionnels de santé, travers notamment des formations en maternité et en coles de sages-femmes et sa présence dans les congrès de médecine périnatale.

Discover tales of courage and bravery in Crafted by is empowering ebook, **Accompagner Deuil P Rinatal Dialogues Professionnels** .
