Acupressure Face Lift Guide:

The Complete Idiot's Guide to Acupuncture & Acupressure David Sollars, 2000-08-09 You're no idiot of course. You know that for centuries acupuncture and acupressure have been among the most effective alternative medical treatments available. Now you've decided to try one of them, but before you volunteer to be a human pincushion, you have just a few questions. So let's get to the point. *The Complete Idiot's Guide to Acupuncture and Acupressure* offers a comprehensive look at these effective solutions in their various forms and functions. In this *Complete Idiot's Guide*, you get an introduction to the tools of the trade including needles, magnets, and exercise. The lowdown on what to expect at your first treatment and how to relax and enjoy it. Treatments for everything from acne to menopause. Words of wisdom, plus warnings and definitions to make the acupath easy to follow. *Ancient Secrets of Facial Rejuvenation* Victoria J. Mogilner, 2010-10-21 This natural skin care program is designed around the principle that the face reveals what the body feels and what the body suffers. It incorporates whole body healing to prevent and counteract signs of aging without surgery or harsh chemicals and at no cost. Derived from massage, aromatherapy, acupressure, and traditional Chinese healing arts, these gentle techniques produce a more youthful face and lead to better physical health for the entire body. The book describes the skin's function as one of the body's major organs and shows how to use touch and massage on the pressure points in the face to improve the appearance of the skin and the health of the other organs. These simple techniques, some used in conjunction with essential oils, take just minutes to do and are easy to include in regular morning routines like putting on makeup or applying moisturizer. Breathing exercises, routines for specific problems, and affirmations to rid the body and mind of toxins round out the book. *Your Best Face Now* Shellie Goldstein, 2012-04-03 Expert acupuncturist and top skincare specialist Shellie Goldstein presents a 20-minute a day acupressure system that promises to rejuvenate facial muscle and reduce wrinkles. Cosmetic acupuncture is today's hottest antiaging treatment, and no one knows it better than Shellie Goldstein. Her signature AcuFacial® has made this licensed acupuncturist one of the top skincare specialists in Manhattan and the Hamptons, with a devoted clientele including Rosanne Cash and Martha Stewart, many of whom pay \$500 per treatment to experience its dramatic benefits. Now everyone can reap the benefits of Goldstein's AcuFacial® on their own at home with acupressure, a unique therapy that uses massage instead of needles to lift sagging facial muscles, reduce wrinkles, and return youthful vitality to skin tone. Illustrated with amazing before and after photos and providing simple step-by-step, easy-to-follow instructions, diet recommendations, recipes, and skincare tips, *Your Best Face Now* teaches everyone how to erase the lines of time on any budget in just twenty minutes a day. **The Cheapskate's Guide to Spas** Nathaniel Altman, 2002 A guide to spas in the United States and Canada that offer world-class healing waters, good food, and comfortable lodging along with traditional spa services, all at the best possible price.
