

Undergraduate Admission

Transfer Student Admissions

Applicants to UT Dallas who have previously completed college level coursework beyond high school graduation (excluding the summer following graduation) at an accredited institution will be reviewed for admission as a transfer student.

The University of Texas at Dallas accepts applications for admission from transfer students for the fall, spring, and summer semesters. UT Dallas welcomes applications from students who have begun their college work and are in good standing at other institutions of higher education.

Automatic Admission for Eligible Transfer Students

Section 51.8035 of the *Texas Education Code* establishes criteria for automatic admission to The University of Texas at Dallas for eligible transfer students who began their studies at a Texas institution of higher education following high school graduation.

To be eligible for automatic transfer admission under section 51.8035, a prospective transfer student must have:

1. Qualified for automatic admission to a Texas institution of higher education at the time he or she graduated from high school, or was previously offered admission under this provision.
2. First enrolled in a public junior college or other public or private lower-division institution of higher education not earlier than the third academic year before the academic year for which he or she is seeking admission to the University.
3. Completed the core curriculum at a public junior college or other public or private lower-division institution of higher education with a cumulative grade point average (GPA) of at least 2.500 on a 4.000 point scale, or the equivalent.
4. Submitted a complete application for transfer admission by the deadline.

To take advantage of the automatic admission option, the applicant must submit to UT Dallas, by the deadline, information that "expressly and clearly" claims entitlement to admission under this provision.

The university may accept transfer credit only for academic post-secondary coursework completed with a grade of C (2.000 on a 4.000 point scale) or higher. The University of Texas at Dallas does not offer credit for nonacademic coursework such as vocational, developmental or remedial studies, nor does it grant credit for prior experiential learning. Coursework that is accepted for transfer credit is applicable toward satisfying requirements for a specific UT Dallas major according to the same criteria as those used for equivalent UT Dallas courses. Information about resolution of transfer disputes involving lower-division courses can be found in [Appendix II](#).

Prospective transfer students from Dallas area community colleges should refer to the UT Dallas Transfer Guides, available at the UT Dallas Office of Admission and Enrollment, online at <http://www.utdallas.edu/enroll/apply/texas.php> and at the community college academic advising offices to learn more about curricula appropriate to the various UT Dallas majors.
