George T. Crane,2001 In 1959 Tsung Tsai fled from the Red Army who had destroyed his monastery and walked 3000 miles across China determined to carry on the teachings of his master Forty years later Tsung Tsai travels back to his birthplace with the author to find his master s grave and to build a shrine **Journeys of Transformation** John D.

Barbour,2022-03-31 Western Buddhist travel narratives are autobiographical accounts of a journey to a Buddhist culture Dozens of such narratives have since the 1970s describe treks in Tibet periods of residence in a Zen monastery pilgrimages to Buddhist sites and teachers and other Asian odysseys The best known of these works is Peter Matthiessen s The Snow Leopard further reflections emerge from thirty writers including John Blofeld Jan Van de Wetering Thomas Merton Oliver Statler Robert Thurman Gretel Ehrlich and Bill Porter The Buddhist concept of no self helps these authors interpret certain pivotal experiences of unselfing and is also a catalyst that provokes and enables such events The writers spiritual memoirs describe how their journeys brought about a new understanding of Buddhist enlightenment and so transformed their lives Showing how travel can elicit self transformation this book is a compelling exploration of the journeys and religious changes of both individuals and Buddhism itself How Christianity Came to China Kathleen L. Lodwick,2016-12-01 The story of the foreign missionaries who served in China between 1809 and 1949 is one of fervent religious commitment and of the loss of faith of determined perseverance and of angry frustration of accepting people as they are and of cultural superiority of human kindness and of narrow prejudice of those who loved China and of those who refused to acknowledge the society in which they lived of those who spent their entire adult lives in China and of those who fled home as soon as possible and of those who admired China and of those who were driven insane by living in China In short it is a story of ordinary people with all their good qualities and all their shortcomings In all of its complexity Kathleen L Lodwick tells the story of Christianity in China It s essential reading for anyone wanting to understand the contemporary phenomena that is Christianity in China which some people predict soon will be the country with the largest Christian population in the world *Going Places*
