Aiming for Global Accounting Standards Kees Camfferman, Stephen A. Zeff, 2015-03-26 The International Accounting Standards Board IASB and its International Financial Reporting Standards IFRSs have acquired a central position in the practice and regulation of financial reporting around the world As a unique instance of a private sector body setting standards with legal force in many jurisdictions the IASB's rise to prominence has been accompanied by vivid political debates about its governance and accountability Similarly the IASB's often innovative attempts to change the face of financial reporting have made it the centre of numerous controversies This book traces the history of the IASB from its foundation as

successor to the International Accounting Standards Committee IASC and discusses its operation changing membership and leadership the development of its standards and their reception in jurisdictions around the world The book gives particular attention to the IASB s relationships with the European Union the United States and Japan as well as to the impact of the financial crisis on the IASB s work By its in depth coverage of the history of the IASB the book provides essential background information that will enrich the perspective of everyone who has to deal with IFRSs or the IASB at a technical or policy making level Target XAT 2021 (Past Papers 2005 - 2020 + 5 Mock Tests) 12th Edition Disha Experts,2020-07-04
