Complementary Medicine in Australia and New Zealand Hans Baer, 2015-07-17 In the late nineteenth century on the eve of the formation of Australia as a nation state in 1902 the Australian medical system could be best described as a pluralistic one in the sense that while regular medicine constituted the predominant medical system it was not clearly the dominant one in that regular physicians faced competition from a wide array of alternative practitioners As regular medicine increasingly assumed the guise of being scientific it evolved into biomedicine and developed a link with corporate and state interests in the early twentieth century in Australia as in other capitalist developed societies Relying upon state support Australian biomedicine has achieved dominance over alternative medical system such as homeopathy herbal medicine osteopathy chiropractic and naturopathy Various social forces particularly the development of the holistic health movement have served to challenge biomedical dominance in Australia like elsewhere What started out as a popular health movement in the early 1970s has evolved into the professionalized entity that is generally referred to as complementary medicine in Australia as opposed to complementary and alternative medicine in the US and UK Complementary medicine in Australia encompasses many medical systems and therapies Since the 1980s certain heterodox medical systems particularly chiropractic osteopathy acupuncture and Chinese medicine naturopathy Western herbalism and homeopathy have achieved considerable recognition from the Australian state either at the federal level or at the state and territorial levels Indeed the Australian state appears to have gone further than any other Anglophone country in terms of providing public funding for complementary medicine education Conversely it has committed a limited amount of funding for complementary medicine research compared to the United States

*Perth's Parvati* Chinmoy Mukherjee, 2025-10-16 Perth's Parvati follows the journey of Parvati Paro Sharma a struggling sculptor in Fremantle whose art unexpectedly becomes a conduit for her divine shakti or inner power Named after the Hindu goddess of creation Paro discovers that her sculptures crafted from natural and recycled materials come alive manifesting her emotions and influencing the city of Perth Her benevolent creations like a stone Nandi bull and copper galahs bring subtle miracles of calm and restoration to the urban landscape reflecting her love and serenity However when frustration and rage fuel her work she unwittingly births Asura a destructive entity of twisted metal and scorched wood that unleashes chaos plunging the city into fear and disruption As Paro grapples with her awakening abilities she forms an unlikely alliance with Detective Isabella Izzy Rossi a pragmatic investigator drawn into the supernatural events and Arvind Singh a wise bookseller versed in ancient mythology Through introspection and guidance Paro learns that true power lies in balancing creation and destruction embracing her inner shadows rather than suppressing them The story escalates when Asura's rampage threatens the city's heart forcing Paro to confront her creation in a transformative battle at Elizabeth Quay where she reshapes rage into guardianship In the aftermath Paro faces a new insidious threat Alistair Finch a void like billionaire who drains Perth's creative vitality using ancient artifacts With her allies she defeats this predator but the ordeal

leaves her magical network frayed requiring her to become a healer for her living creations Ultimately Paro evolves from a isolated artist into the city s guardian seeding small purposeful works throughout Perth to nurture its soul embodying the mythic essence of her name in a modern sun drenched world      Uncharted Horizons- A Journey of Resilience Dr Sarath Jayawardana,2025-06-08 Uncharted Horizons A Journey of Resilience From political upheaval in Sri Lanka to a life rebuilt in Australia an extraordinary memoir of grit reinvention and hope When violence and fear engulfed Sri Lanka during the 1989 JVP insurrection Dr Sarath Jayawardana faced an impossible choice stay and risk everything or leave the only home he d ever known With little more than determination and a dream he stepped onto foreign soil and began the long journey of rebuilding a life from the ground up In this deeply personal autobiography you ll follow his remarkable path across continents and professions from medicine to law education to leadership and discover the values and vision that sustained him through every challenge In these pages you will find An inspiring true story of migration resilience and personal transformation Lessons on adapting to new cultures careers and life stages Insights into leadership philosophy and mind body medicine Real world wisdom for overcoming adversity and thriving in uncertainty Whether you are navigating your own life challenges seeking inspiration or drawn to stories of remarkable human endurance this memoir will leave you both moved and uplifted Read it for perspective Keep it for strength Available instantly as an eBook start reading today      **Who's Who in California** Sarah A.
