Bloodlines Lela

Lane, 2012-09-11 She dreamed that she was standing on the edge of a cliff with the wind blowing all around her It swept through her black hair and carried her lavender dress high above her knees She felt immortal and untouchable by everything but God The skies darkened suddenly causing a storm with fierce rain and winds The blow of the storm knocked her off the cliff and she fell aimlessly down the side Trying to grab hold of anything in her midst she continued to fall spinning rapidly to the bottom of the ravine Out of nowhere came Nathanael he scooped her up in his arms and placed her safely on the ground They gazed at each other She still had a hold of his neck as he leaned in to kiss her At that moment she heard her name being called It echoed from far away and she turned to face the call Walking closer and closer she reached an engulfing darkness as she gradually faded into consciousness Eighteen year old Bianca longs for a break from her boring life in Oklahoma After meeting Nathanael a mysterious handsome young man at a party one night Bianca is mesmerized Nathanael encourages her to come to New Orleans with him as he is a friend of her grandfather whom she assumed was deceased She

accepts and upon arriving in New Orleans Nathanael shows her his deep secret he is a vampire Bianca is drawn to his underground world where her grandfather Moritz reigns as king of States Coven but among these ancient people not everyone is what they seem Will Bianca escape from the evil clutches of Moritz or will she fall victim to his powerful control Discover the answers in Lela Lane s Bloodlines **Bloodlines of the Ages** Adam Chaney,2019-11-07 I wanted to show in my book that reality is all relative that our minds in a large part make our reality and that no one could tell us any different And when we have great trauma our minds are the ones that take over and make it make sense for us
