Biblical Faith Meets Financial Strategy, 2nd ed. Johnny McWilliams, 2022-09-20 Prosperity resides where prayerful planning financial freedom and radical relationships intersect Do you have a healthy connection with all financial matters Have you ever wondered what the Bible has to say about money Do you want to know the best way to build wealth Would you like to have contentment in every aspect of life at work and home with family and friends at church and in your community Do you want to know how to better manage money The scriptures teach us to be in a relationship with God Your Heavenly Father wants you to live a prosperous life and build wealth The Bible teaches you the proper way to handle those finances The final four chapters of this book will show you how financial prosperity and the fruit of the Spirit intersect Once you understand and begin living by these foundational truths your heart will overflow with love joy and peace Your actions will be purposeful with patience kindness and goodness And your thoughts will be faithful and meek with self control These are not only Christian financial concepts and principles these are financial

truths It s time for you to RECOVER GROW and ZERO IN on your financial target Here are some of the faith strategy intersections you will read about and be able to apply immediately Your dreams Your life Prayer Patience Your destiny God s will King Jesus Servant Jesus Your Purpose Your Position The INTERSECTION series includes the titles below Biblical Faith Meets Financial Strategy 2nd ed How to Lay a Solid Foundation for Prosperity God s Ownership Meets Money Management How to Be a Good and Faithful Steward Divine Provision Meets Generosity Planning How to Live Life to the Fullest While Richly Giving and the following companion for a deeper study Setting Your Sights on the Intersection 90 Day Devotional Journal About the book series INTERSECTION Where God s Wealth Meets God s Wisdom Imagine yourself at the shooting range aiming at a target To ensure your aim is accurate you look for a calibrated point of reference There are two engraved lines to give you a single place to focus on when aiming at a target The two lines cross at this spot and create what is known as crosshairs Crosshairs are composed of two wires or lines one parallel and the other perpendicular to the horizon The area that you are focused on is where the two lines intersect The objective is to align the crosshairs with the bullseye Aiming to hit the bullseye requires precision and using the simple principle of intersecting lines you can easily pinpoint that target When peering through the scope of your financial future the strategy is the same The two dimensions are God s Wealth vertical and God s Wisdom horizontal Once you have these two crosshairs in focus and zeroed in you can aim right at the center of your target and hit it consistently If you want to pinpoint your financial destiny you need to zero in on your target not someone else s mark The simple tool needed for pinpoint accuracy is the crosshairs and one of the most critical steps is knowing where you are aiming The blessings come where the two lines meet Get ready to manage money according to the Word of God and live a prosperous life **Blood and Thunder: The Life and Art of Robert E. Conard,2008-12-12 Written for both fans of the Coen brothers and the philosophically curious without the technical language educational and entertaining Library Journal Joel and Ethan Coen have made films that redefined the gangster movie the screwball comedy the fable and the film noir but no matter what genre they re playing with they consistently focus on the

struggles of complex characters to understand themselves and their places in the strange worlds they inhabit To borrow a phrase from Barton Fink all Coen films explore the life of the mind and show that the human condition can often be simultaneously comic and tragic profound and absurd The essays in this book explore the challenging moral and philosophical terrain of the Coen repertoire Several address how Coen films often share film noir's essential philosophical assumptions power corrupts evil is real and human control of fate is an illusion In Fargo not even Minnesota's blankets of snow can hide Jerry Lundegaard's crimes or brighten his long dark night of the soul The tale of love marriage betrayal and divorce in Intolerable Cruelty transcends the plight of the characters to illuminate competing theories of justice Even in lighter fare such as Raising Arizona and The Big Lebowski the comedy emerges from characters' journeys to the brink of an amoral abyss However the Coens often knowingly and gleefully subvert conventions and occasionally offer symbolic rebirths and other hopeful outcomes At the end of The Big Lebowski for example the Dude abides his laziness has become a virtue and the human comedy is perpetuating itself with the promised arrival of a newborn Lebowski The Philosophy of the Coen Brothers sheds new light on the work of these cinematic visionaries From Blood Simple to No Country for Old Men the Coens' characters look for answers though in some cases their quest for answers leads at best only to more questions **Conan**
