Walshe draw on their experiences as embedded reporters on Palin s campaign exclusive on scene coverage of Palin s post election struggles in Alaska and revealing interviews with former McCain Palin staffers top political minds and Palin s family friends and foes in Alaska to tell the remarkable behind the scenes story of her improbable rise and its complicated aftermath The result is a fair and fascinating portrait of Sarah Palin and of the American political process Sarah from Alaska illuminates both the talents that helped make Palin a superstar and the traits that became liabilities under the intense pressures of a divisive national campaign It reveals in riveting detail how Palin s vice presidential campaign became as dysfunctional as it was secretive explores the circumstances behind her triumphs and baffling missteps and provides new context for understanding her values her political successes in Alaska and her abrupt resignation from the governorship It s easy to turn Sarah Palin into a caricature of either a heroic everywoman or ridiculous dolt the authors say but the truth is that she is more complex than either her most passionate defenders or harshest critics give her credit for Palin remains ambitious and enormously popular among social conservatives and her future will be intrinsically interwoven with that of the Republican Party as it struggles to redefine itself and recapture the necessary margin for national political victory in the next decade That makes Sarah from Alaska essential reading for anyone interested in American politics *Elle* ,2008 **Travel & Leisure** ,2009 *Walker Sisters True to New York* Marsha Walker,2015-04-23 Welcome to our world WALKER SISTERS TRUE TO NEW YORK is an exciting world of adventure with our elderly patients family fashion sisterhood and discovery Experience surprises suspense emotions and the unexpected At the end of each day we have to be fabulous Challenges only make us stronger With that we can all make it God only knows what tomorrow will bring
