Bluford Series Teachers Guide:

Teacher's Guide to the Bluford Series Eliza A. Comodromos, 2004 Once Upon a Time in a Different World Neal A. Lester, 2010-06-21 This book offers a history and analysis of African American children's literature from its beginnings to the present. Chapters explore issues surrounding race and representation from the race and gender politics of African American hair to the absence of the N word in children's books. *Janet McDonald* Catherine Ross-Stroud, 2008-11-24 Much has been written about the state of Black adolescence, often from a sociological point of view situating Black teens in an at-risk category. However, through her characters, young adult author Janet McDonald (1954-2007) presents the wide range of adolescent life. McDonald especially presents to readers the multifarious views of society in relation to the self-efficacious drive of urban teens to rise above their circumstances by any means necessary. Janet McDonald, *The Original Project Girl* is a bio-critical study of McDonald and her work as it relates to the contributions she has made to the genre of teen fiction. It explains McDonald's profoundly realistic fiction, which holds wide appeal for teens in search of answers to the coming-of-age mystery. Catherine Ross Stroud, in her study of McDonald's works and interviews with the author, has put together a comprehensive resource that will be a useful research tool. *Literacy Coaching* Dale E. Moxley, Rosemary T. Taylor, 2006-03-13 This research-based handbook guides school leaders in successfully implementing a literacy coaching program to drive schoolwide literacy achievement. *The Reflective Educator's Guide to Practitioner Inquiry* Nancy Fichtman Dana, Diane Yendol-Hoppey, Logan Rutten, 2025-05-30 Transform your teaching and shape education through the power of inquiry. Grounded in real-world examples and more than 30 years of research in professional development, the fifth edition of *The Reflective Educator's Guide to Practitioner Inquiry* addresses how inquiry fosters curiosity, reflection, and practical action to enhance effective classroom learning. This latest edition invites educators to view inquiry as a process, a product, and a stance. The book offers new sections on the relationship between AI and teacher inquiry and the ways in which inquiry is changing with the times. Additional features and updates include: A new chapter that provides a step-by-step guide to crafting an intentional, actionable research plan; Access exercises; inductive and deductive data analysis worksheets; ethical guidelines and examples addressing today's issues in education; A discussion of the connections between practitioner inquiry and supporting the academic success of every student. *The Reflective Educator's Guide to Practitioner Inquiry*, fifth edition, empowers educators at every stage in their careers to investigate their practice, drive sustained professional growth, and harness inquiry's potential to create classrooms where both students and teachers thrive. *Ohio Media Spectrum*, 2007 March issue is the directory of the Ohio Educational Library Media Association. How to Teach Students Who Don't Look Like You Bonnie M. Davis, 2012-07-18 Engage diverse learners in your classroom with culturally responsive instruction. *How to Teach Students Who Don't Look Like You* helps educators recognize the impact that culture has on the learning process. The term diverse learners encompasses a variety of student groups, including homeless children, migrant children, English

language learners children experiencing gender identity issues children with learning disabilities and children with special needs This revised second edition reflects the latest trends in education and includes new coverage of standards based culturally responsive lesson planning and instruction differentiated instruction RTI and the Common Core State Standards Bonnie M Davis helps all educators Tailor instruction to their own unique student population Reflect on their own cultures and how this shapes their views of the world Cultivate a deeper understanding of race and racism in the U S Create culturally responsive instruction Understand culture and how it affects learning How to Teach Students Who Don t Look like You provides crucial strategies to assist educators in addressing the needs of diverse learners and closing the achievement gap This book fires up educators by speaking from the soul to reach the heart from the research to engage the mind and from the skillful hand to build the necessary expertise Peggy Dickerson Professional Service Provider Region XIII Texas Education Service Center Austin TX The vignettes and classroom situations help the reader understand how race plays out in our society and in our classrooms Dr Davis takes on a very volatile topic and is able to engage the reader without offending The examples vignettes cases and stories will hook the readers just as they did me Once I began reading the book I could not put it down Ava Maria Whittemore Minority Achievement Coordinator Frederick County Public Schools MD

Lesley,2017-03-03 This book examines how children s and young adult literature addresses and interrogates the legacies of American school desegregation Such literature narrates not only the famous battles to implement desegregation in the South in places like Little Rock Arkansas but also more insidious and less visible legacies such as re segregation within schools through the mechanism of disability diagnosis Novelizations of children s experiences with school desegregation comment upon the politics of getting African American children access to white schools but more than this as school stories they also comment upon how structural racism operates in the classroom and mutates over the course of decades through the pedagogical practices depicted in literature for young readers Lesley combines approaches from critical race theory disability studies and educational philosophy in order to investigate how the educational market simultaneously constrains how racism in schools can be presented to young readers and also provides channels for radical critiques of pedagogy and visions of alternative systems The volume examines a range of titles from novels that directly engage the Brown v Board of Education decision such as Sharon Draper s Fire From the Rock and Dorothy Sterling s Mary Jane to novels that engage less obvious legacies of desegregation such as Cynthia Voigt s Dicey s Song Sharon Flake s Pinned Virginia Hamilton s The Planet of Junior Brown and Louis Sachar s Holes This book will be of interest to scholars of American studies children s literature and educational philosophy and history

Bridging Literacy and Equity Althier M. Lazar,Patricia A. Edwards,Gwendolyn Thompson McMillon,2012 Bridging Literacy and Equity synthesizes the essential research and practice of social equity literacy teaching in one succinct user friendly volume Chapters identify six key dimensions of social equity teaching that can

help teachers see their students potential and create conditions that will support their literacy development Serving students well depends on understanding relationships between race class culture and literacy the complexity and significance of culture and the culturally situated nature of literacy It also requires knowledge of culturally responsive practices such as collaborating with and learning from caregivers using cultural referents enacting critical and transformative literacy practices and seeing the capacities of English language learners and children who speak African American Language Each chapter includes a Reflection and Inquiry section with exercises to help readers relate chapter concepts and issues to their own teaching practices This will be an invaluable and popular resource for classroom teachers Karen Lowenstein Educator Preparation Consultant Colorado Department of Education Individuals already involved in the classroom and others preparing to become teachers who are genuinely committed to high quality education for all children will find Bridging Literacy and Equity a welcomed and empowering call to action From the Foreword by Geneva Gay
