The Grey Wolves Series Collection Books 1-3 Quinn Loftis, 2019-03-04 Begin the award winning Grey Wolves Series with the first three books Prince of Wolves Blood Rites and Just one Drop The Grey Wolves Series follows the adventures of three high school seniors Jacque Jen and Sally as the girls are introduced to the hidden world of the Romanian grey wolves The grey wolves universe is populated with dominant Alpha male werewolves who slowly succumb to the darkness within them unless they find their true mates It just so happens these three ladies are destined to become true mates to some of the most powerful males in the Canis lupus world But destiny won t be fulfilled without a fight Female Canis lupus are few and far between and sinister dominant wolves will rise to challenge for the right to mate with these new unique females The ensuing chaos will undermine the strength of the packs just when a new threat to the Canis lupus world emerges one that can only be defeated by the strength that comes from the special union of true mates *Prince of Wolves* Quinn Loftis, 2011-06-29 Jacque Pierce was an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring TX when a mysterious foreign exchange student from Romania moves in across the street Jacque and her two best friends Sally and Jen don t realize the last two weeks of their summer are going to get a lot more interesting From the

moment Jacque sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that the flame she is drawn too is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul The problem is Fane is not the only wolf in Coldspring Just as Fane and Jacque are getting to know each other another wolf steps out to try and claim Jacque as his mate Fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed Alpha Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane s mate and complete the bond between them Reign of Blood Quinn Loftis,2022-12-27 Because I created you for such a time as this The Great Luna s words ring true for every member of the Romanian pack Not only the wolves but for all those who stand in defense of virtue purity and righteousness in a world plagued with monsters hell bent on destroying every good in their path Time and time again the Great Luna s warriors have faced depraved adversaries and each time they ve risen to the challenge With Fane as their leader and members of every supernatural race willing to follow him they will once again stand in the gap for those who cannot stand themselves protecting those who are ignorant of the dangers all around them The Order of the Burning Claw has been dealt a near fatal blow But this has only made them more dangerous like a cornered wolf injured and desperate Alston the former high fae and leader of the Order continues to wage war on Fane and his allies Cain the vampire king has other plans and they no longer include membership in the crumbling faction He has discovered some powerful new allies the very humans he once attempted to subjugate Could they unwittingly be the key that allows him to put finally eliminate all competition for rule of the supernatural races In the end one species will reign supreme One king will stand victorious The rest will bow or die

carnage they'd caused to so many innocent families But something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital It wasn't Fane he would be with her on the other side she knew that If she died he died too and he wouldn't have it any other way She could feel Peri's presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacques's survival Jacques was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn't know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn't stand a chance
