

A chapter in American Anarchism

BLOODY WILLIAMSON

A photograph of a book cover with a red cross symbol on the front face.

Paul M. Angle

Bloody Williamson Bloody Williamson

Paul McClelland Angle

Bloody Williamson Bloody Williamson:

Bloody Williamson Paul M. Angle, 2014-10-15 This is a horror story of native American violence It carries a grim lesson for the whole country Political doctrines have played no part in the violence and murder that have brought much ill fame to one corner of Illinois On the map Williamson is just another county But in history it is a place in which a strange disease has raged for more than eighty years a disease marked by a pathological tendency to settle differences by force Fascinated by this Paul M Angle the well known historian set out to discover what really had happened Through enormous research he has been able to reconstruct the whole story in all its horrible scarring detail Using the best techniques of reportage without editorializing without subjective coloration he has produced a narrative beyond imagination It begins with the Bloody Vendetta a feud that rampaged in the 1870s It deals with labor's success in organizing coal mines in southern Illinois an affair that twice blew up in violence It covers the Herrin Massacre of 1922 perhaps the most shocking episode in the history of organized labor in this country and the subsequent trials The Ku Klux Klan provides material for four chapters that come to a climax in a fatal duel between the Klan and its opponents And it ends with the story of the gang war between Charlie Birger and the Shelton brothers It is a tale to shake the most phlegmatic reader Bloody Williamson Paul M. Angle, 1992 In Williamson County some men took to violence almost as a way of life A shocking story well told New Yorker Williamson County in southern Illinois has been the scene of almost unparalleled violence from the Bloody Vendetta between two families in the 1870s through the Herrin Massacre of 1922 Ku Klux Klan activities that ended in fatalities and the gang war of the 1920s between the Charlie Birger and Shelton brothers gangs Paul Angle was fascinated by this more than fifty year history and his account of this violence has become a classic Bloody Williamson Paul McClelland Angle, Williamson County (Ill.), 1969 **Bloody Williamson** Paul McClelland Angle, 1952 *Sheriff Harry Spiller*, 1999-06-15 This 160 page book serves as a memoir of a lawman Harry Spiller from Williamson County Illinois and tells of his stories and ventures as a sheriff **In Bloody Williamson** George Galligan, Jack Wilkinson, 1927 A Knight of Another Sort Gary DeNeal, 1998-12-10 Charlie Birger's legacy is that of the most popular and arguably the most violent gangster in southern Illinois during the 1920s A Russian immigrant who first proved his grit on the streets of St Louis as a newsboy Birger later excelled in boxing and breaking horses in the West But the coming of Prohibition to the coal fields of southern Illinois provided the opportunity for Birger to become a key figure in a maelstrom of violence that would shock the country Bolstered by years of research and interviews Gary DeNeal tenders an insightful biography of this controversial character Enhanced by newly discovered photographs and a new chapter the second edition of *A Knight of Another Sort* brings Birger and his bloody era vividly to life Herrin John Griswold, 2009-11-27 Herrin Illinois has seen many dramatic events unfold in the nearly two hundred years since it was a bell shaped prairie on the frontier Now Herrin native John Griswold a writer and teacher at the University of Illinois provides the first comprehensive history of this most American city a place that in its time became not

just a melting pot but a cauldron Discover why the coal was so good in the Quality Circle and what happened to the boom that followed its discovery Explore the roots of the vicious Herrin Massacre of 1922 and learn why the entire nation has focused its gaze on this small Midwestern city so many times Incorporating the most recent scholarship interviews and classic histories and narratives this brief and entertaining history is illustrated with more than seventy five archival photos that help tell this important American story

The Flying Circus Susan Crandall, 2016-02-16 Set in the rapidly changing world of 1920s America this is a story of three people from very different backgrounds Set adrift by life altering circumstances they find themselves bound together by need and torn apart by blind obsessions and conflicting goals Each one holds a secret that if exposed would destroy their friendship But their journey of adventure and self discovery has a price and one of them won't be able to survive it As they crisscross the heartland exploring the rapidly expanding role of aviation from barnstorming to bootlegging from a flying circus to the dangerous sport of air racing the three companions form a makeshift family

The Herrin Massacre of 1922 Greg Bailey, 2020-10-22 In 1922 a coal miner strike spread across the United States swallowing the heavily unionized mining town of Herrin Illinois When the owner of the town's local mine hired non union workers to break the strike violent conflict broke out between the strikebreakers and unionized miners who were all heavily armed When strikebreakers surrendered and were promised safe passage home the unionized miners began executing them before large cheering crowds This book tells the cruel truth behind the story that the coal industry tried to suppress and that Herrin wants to forget A thorough account of the massacre and its aftermath this book sets a heartland tragedy against the rise and decline of the coal industry

Bloody Williamson Bloody Williamson: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Bloody Williamson Bloody Williamson : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Bloody Williamson Bloody Williamson : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
