Queer Relajo David Tenorio, 2025-08-28 In 2015 Mexico City declared itself a gay friendly city and followed up with a gay tourist guide and new laws permitting changes to gender markers on legal documents sanctioning same sex marriage and allowing joint adoption of children At the same time patterns of violence and discrimination against women trans and queer people have continued throughout the country In Queer Relajo David Tenorio argues that while Mexico City aims to bring visibility to queer sociality the benefits of legitimizing queer space remain unclear Combining readings of film digital media and performance with drag autoethnography Queer Relajo quite literally plays with how relajo or playfulness structures the spaces of queer nightlife in urban contexts by revealing how nighttime intimacy can minimize the paralyzing effects of violence and precarity in a neoliberal Mexico Considering the political implications of when a queer trans person is present at night Tenorio argues that queer feelings of play are not only essential to sexual liberation but also resist neoliberal commodification and heteronormative extraction

*Original Love* J.J. Murray, 2008-09-01 Peter Underhill was smitten by Ebony Mills the moment she joined his street hockey team a coal eyed tomboy goddess as dark and dazzling as he was pale and awkward That she returned his affection was a boy's dream come true But despite a bond that grew into their teens Peter's intolerant father and Ebony's meddling family finally forced them apart That was twenty years ago and Peter has been trying to find his way back to his first and true love ever since When she was a kid Ebony feared no one not even Peter's violent bigoted father Back then Ebony said she'd love Peter forever and she meant it It didn't matter that they couldn't share milestones like the high school prom together what they had was the real thing and nobody could take it away or could they Even now Ebony doesn't quite understand how she and Peter disappeared from each other's lives Has the hatred that

surrounded them finally won Ebony doesn't want to believe that but she knows one thing if she ever has the chance to reunite with Peter she'll never let him go Because you don't throw away something that only comes along once in a lifetime You don't mess with original love
