

The background of the cover features a complex, three-dimensional molecular model. It consists of numerous spheres of varying sizes, some appearing metallic and others translucent, connected by thin, dark lines representing chemical bonds. The spheres are arranged in a way that suggests a crystalline or network-like structure, with some spheres in sharp focus and others blurred in the background, creating a sense of depth. The overall color palette is a mix of metallic greys, silvers, and light blues, set against a soft, warm-toned background.
