Athens Past And Present With Reconstructions Of Ancient Monuments:

Pinning Down the Past Mike Corbishley, 2014-04-17 In a relatively short period of time the pursuit of archaeology has evolved from an antiquarian interest to a specialised scientific activity Part of this evolution has always included the interest of the public and archaeologists efforts to educate them As each new method and technique is developed and each new specialism is created the challenge of making archaeology available as a learning resource grows with it Today for example the issues which surround archaeology and heritage such as the pressures of tourism on sites now form part of many formal educational curricula This book the first to deal with the subject in such depth examines the place of education and outreach within the wider archaeological community Written by one of Britain s leading archaeological educationalists it charts the sometimes difficult and painful growth and development of education and archaeology Packed full of informative and enlightening case studies from the circus at Colchester to Sutton Hoo and Hadrian s Wall this work examines exactly how we have reached the point we are at where that place is and suggests areas for future development By drawing upon many decades of experience at the front line of archaeological education the author has produced a key text that will play a major role in the on going development of the heritage industry Publisher s website

Architecture and ekphrasis Dana Arnold, 2020-10-20 Architecture and ekphrasis examines how eighteenth century prints and drawings of antique architecture operated as representations of thought Using original archival material it considers the idea of the past in the period specifically how it was discovered and described and investigates how space and time inform visual ekphrasis or descriptions of architecture The idea of embodiment is used to explore the various methods of describing architecture including graphic techniques measurement and perspective all of which demonstrate choices about different modes of ekphrasis This well illustrated accessibly written study will be of interest to academics and students working in a broad range of subject areas It will also be an essential teaching tool for increasingly popular cross disciplinary courses

Vrysaki Sylvie Dumont, 2020-02-01 Between 1931 and 1939 central Athens was transformed by the expropriation and demolition of the Vrysaki neighborhood at the foot of the Acropolis In these few years more than 5 000 inhabitants were displaced and 348 properties were torn down so that the American School of Classical Studies at Athens ASCSA could excavate the ancient Agora the scale of the project and the degree to which it was documented make this a unique episode in the history of Greek archaeology Using materials from the ASCSA Archives and a large collection of photographs from the 1930s this volume details the history of the negotiations the expropriations and most importantly the Vrysaki neighborhood itself Illustrating its streets shops houses names and faces the author provides a vivid recreation of the community that was Vrysaki

Visualizing cityscapes of Classical antiquity: from early modern reconstruction drawings to digital 3D models Chiara Piccoli, 2018-04-30 The study presented here aims to make a practical contribution to a new understanding and use of digital 3D reconstructions in archaeology namely as laboratories to test hypotheses and visualize evaluate and discuss multiple
