Laundromat Operations & Maintenance Manual D. Rod Lloyd, 2023-01-21 Owning a Laundromat is a great business and can be very profitable It is an all cash business and recession proof A self service laundromat runs all by itself All you need to do is collect the cash and wipe down the machines This book will tell you how to run a laundromat with no prior experience The skills needed to run and maintain a laundromat are not rocket science and don't need expensive equipment just common sense and logic I will tell you how it is the good the bad and the ugly everything you need to know to get started

Wooden Work's Clock Movement Restoration & Best Practices D. Rod Lloyd, If you are lucky enough to own a clock containing a wooden works clock movement you own a rare piece of history You are just the current steward of a piece of history Like anything else these clocks must be maintained Fortunately wooden movement clocks are the easiest clocks to work on due to the large size of the parts their simple design and no mainsprings to deal with Wooden movement clocks are the perfect starter clock if you have never worked on a clock before but are interested in how they work Repairs to wood parts only need basic woodworking skills This book will take you step by step on your journey to learn how to repair wooden movement clocks and restore your rare piece of history

How to Get Rid of Mold D. Rod Lloyd, 2023-01-22 The thought of Mold in your home terrifies many people And rightly so Some Molds are very harmful The first instinct is to call a professional mold inspector who will likely charge hundreds of dollars to perform an inspection you can do yourself In fact the chances are you can and will do a better job Inspectors want to get in get out and get paid You have more time more opportunity and more at stake to poke into every corner and know the history Be more thorough A mold inspector will likely recommend professional remediation That's a big word that will cost Big money Most likely you will be able to do most or all the work

Handbell Ringers Bible D. Rod Lloyd, Learn Handbells from scratch or become a better Ringer This is the completely revised 2023 Handbell Ringers Bible I listened to all your comments and have made this even more comprehensive and easier to learn from A set of handbells creates ONE musical instrument They are always in tune and most ringers play only two bells plus their accidental making it one of the easiest musical instruments to learn and a lot of fun to play Having said that to play any instrument well you need to study and practice You don't need to be a musician to begin to play bells but you will be a musician once you have mastered the instrument and its techniques If you can count to four and know your left from your right you have the necessary qualifications You don't need a deep understanding of music theory I have selected the parts of music that you do need making it as simple as possible It is all too common for new handbell ringers to be thrown in at the deep end with just a short explanation of how to ring the bell and off they go playing in an existing handbell choir I have created this Method Book full explanation of all the terms and techniques training videos as well as handbell music notation to make learning handbells more structured and informative
