Arab Spring Challenges For Democracy And Security In The Mediterranean

Aomar Boum, Mohamed Daadaoui

Arab Spring Challenges For Democracy And Security In The Mediterranean:

Arab Spring Challenges for Democracy and Security in the Mediterranean Patricia Bauer, 2016-01-22 This volume presents essential aspects of Mediterranean politics to be reconsidered in the light of the Arab upheavals since 2010 The focal point of the book is the question in how far European Mediterranean relations are challenged by the various developments It explores the relationship between security and democracy within the Arab countries and in European Mediterranean relations The ambiguity between the promotion of democratic values and the preservation of common interests in cooperation in economic and security affairs is stirred up by changing political actors and new conflictual constellations inside the Arab countries All these changes evoke new challenges for all areas of the European Mediterranean cooperation Thus the volume assembles contributions from different angles on the re formulation of the European Neighbourhood Policy as well as the Democracy Assistance towards the Southern Mediterranean It discusses the major security issues of a cooperative security architecture counter terrorism action migration control and security sector reform in order to explore the relevant challenges in the field The contributions analyse the recent developments and challenges provide critical insights into those fields and endeavour to provide some proposals for improving Mediterranean cooperation on democracy and security This book was published as a special issue of Democracy and Security The Arab Spring,

Democracy and Security Efraim Inbar, 2013-03-12 This volume analyzes the political economic and strategic dimensions of the recent upheavals in the Middle East known as the Arab Spring Mass demonstrations in many Arab states challenged the political status quo and the existing political and cultural system in the region While it is too early to offer a definitive analysis of the impact of the widespread discontent in the Arab world the trajectory of the events indicates regime change in several states containment of political unrest in most states increase in Islamic tendencies centrifugal tendencies in a number of political units and deterioration of economic conditions This volume presents an initial assessment by a selected group of Israeli scholars of the implications of the Arab Spring The chapters focus on important issues such as democratization the role of economic factors in political change and explanations for variations in regime stability in the Middle East Taking an international relations perspective the book not only examines the evolving regional balance but also explores the link between external and internal politics and the implications of terrorism for regional security The chapters also address the implications of the Arab Spring for Israel and its chances of existing peacefully in the region This volume will be of much interest to students of Middle East politics international security foreign policy and international relations

Routledge Handbook of the Arab Spring Larbi Sadiki, 2014-12-17 The self immolation of Mohammed Bouazizi in Tunisia in December 2010 heralded the arrival of the Arab Spring a startling yet not unprecedented era of profound social and political upheaval The meme of the Arab Spring is characterised by bottom up change or the lack thereof and its effects are still unfurling today The Routledge Handbook of the Arab Spring seeks to provide a departure point for ongoing discussion of a

fluid phenomenon on a plethora of topics including Contexts and contests of democratisation The sweep of the Arab Spring Egypt Women and the Arab Spring Agents of change and the technology of protest Impact of the Arab Spring in the wider Middle East and further afield Collating a wide array of viewpoints specialisms biases and degrees of proximity and distance from events that shook the Arab world to its core the Handbook is written with the reader in mind to provide students practitioners diplomats policy makers and lay readers with contextualization and knowledge and to set the stage for further discussion of the Arab Spring The World Community and the Arab Spring Cenap Çakmak, Ali Onur Özçelik, 2018-07-26 This edited volume offers an understanding of how the international community as a collection of significant actors including major states and intergovernmental institutions has responded to the important political and social development of the Arab Spring Contributors analyze the response by international organizations UN EU NATO big powers US Russia China UK regional powers Turkey Iran Israel Saudi Arabia and small powers Kuwait Qatar The book thus makes a sound contribution to the existing literature on the Arab Spring in form of foreign policy analysis and provides an overview of the current shape and outlook of global politics **Islam and the Drive to Global Justice** Louay M. Safi, 2023-12-15 Islam and the Drive to Global Justice Principles of Justice Beyond Dominant Ethnic and Religious Communities contributes to the current debate over Islam in a globalizing world by drawing on the contemporary and historical justice discourse within the Islamic traditions and by examining policies and practices of global powers towards Muslim populations in the Global South The discussions aim at bringing insights from Islamic authoritative sources and scholarly literature and to enrich the current deliberation on the universality of modern values and the relevance of the Islamic traditions to advancing more inclusive notion of global justice The book examines in particular several models rooted in the monotheistic traditions crucial for overcoming three interrelated challenges facing the dispensation of justice in contemporary society inclusivity disparity and selectivity The book uses the normative framework it outlines to analyze the connection between European powers and the autocratic regimes in the MENA region Several chapters in the book illustrate how supporting Arab autocracy contributes to the rise of religious extremism and has already produced failed states in Syria Lebanon Iraq and Yemen that undermine both national and global peace and stability Democratisation in the Maghreb J.N.C. Hill, 2016-08-04 The past few years have been a period of unprecedented political upheaval for the Maghreb A protest which began in a provincial city in one of North Africa's quieter corners quickly engulfed the entire region Presidents of decades standing were swept from office on waves of public discontent while their counterparts elsewhere nervously tried to calm the mob In several places these protests are still being played out in the law courts of Egypt on the battlefields of Libya and in the leaking tubs carrying migrants to Europe And even where the winds of change have died down the political and social landscape is altered from before Herein lies a defining paradox of the Arab Spring its ubiquity and singularity Nearly all of the region's countries have been affected But despite making similar demands in largely the same ways over much the same period their respective protest movements

have achieved different results Drawing on Steven Levitsky and Lucan Way s celebrated model for examining political transitions this book explains these discrepancies why Tunisia Algeria Morocco and Mauritania have reached different outcomes It does so by contextualising each country s experiences by examining and comparing their political development over the past decade

EU Security Strategies Spyros Economides,James Sperling,2017-12-06 This volume offers a coherent analysis of the European Union s security strategies within a comparative framework If the EU is to survive and prosper as an effective security actor it requires that greater attention be devoted to taking a cohesive and common position on the relationship between EU foreign policy means and goals The major claim of this edited collection is that there is a European grand security strategy that disciplines member state security strategies That grand strategy has two distinct substantive goals 1 the preservation and expansion of the EU system of security governance and 2 the implementation of specific strategies to meet internal and external threats and sources of insecurity The EU has sought to develop a grand security strategy that not only accounts for the proliferation of threats possessing a military or non military character and differentiates between core and peripheral regions of interest but also addresses the requirements to bridge the increasingly blurred boundary between internal and external security threats and the necessary reconciliation of the competing security preferences of its member states The empirical contributions to this volume examine the EU security strategies for specific issue areas and regional threat complexes These case studies assess whether and how those strategies have consolidated or expanded the EU system of security governance as well as their successes and limitations in meeting the security threats confronting the EU and its member states This volume will be of great interest to students of EU policy foreign policy security studies and IR

Analyzing Political Tensions Between Ukraine, Russia, and the EU Christensen, Carsten Sander,2020-02-21 One of the world s most prevalent political quarrels is the current geographical state of Ukraine along with its relationships with Russia and the European Union With the annexation of Crimea Russian forces have gained control over most of Eastern Ukraine igniting a clash between the two governments and triggering the European Union United States and several Post Soviet states to involve themselves in the situation As these engagements continue to unfold significant research is needed to examine the current state of these administrations and the tensions that continue to intensify in this region of the world Analyzing Political Tensions Between Ukraine Russia and the EU is a collection of innovative research on the recent developments inside this growing geopolitical conflict While highlighting topics including neighborhood policy NATO relations and Eastern partnership this book is ideally designed for politicians policymakers governmental strategists researchers educators journalists academicians and students seeking further understanding of foreign relations and the current political struggles of these European territories

Historical Dictionary of the Arab Uprisings Aomar Boum,Mohamed Daadaoui,2020-03-10 The Arab uprisings that swept the Middle East and North Africa in the period from 2011 2012 left an indelible mark on the socio political landscape of the region But that mark was not

consistent across the region while some countries underwent dramatic popular social and political changes others teetered on the brink or were left with the status quo intact Street revolutions toppled despotic regimes in Tunisia Libya and momentarily in Egypt while mounting serious challenges to authoritarian regimes in Syria and Yemen Algeria's entrenched bureaucratic cum military authoritarian system proved resilient until the recent events of early 2019 which forced the resignation of President Abdelaziz Bouteflika before the end of his term on 28 April 2019 As in Algeria protestors in Sudan succeeded after months of demonstrations in overthrowing the government of Omar al Bashir Several Arab monarchies still appear stable and have managed to weather the tempest of the Arab revolutions albeit not without fissures showing in the edifice of their states accompanied by some minor constitutional changes Where Tunisians Egyptians Yemenis Syrians and Libyans demanded regime changes in their political systems protesters in the Arab monarchies have called on the kings and emirs to reform their political system from the top down indicating the sizeable monarchical advantage Historical Dictionary of the Arab Uprisings contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross referenced entries on the terms persons and events that shaped the Arab Spring uprisings This book is an excellent resource for students researchers and anyone wanting to know more about the Arab Uprisings

Deciphering the Eastern Mediterranean's Hydrocarbon Dynamics Bahrooz Jaafar Jabbar, 2024-09-25 This comprehensive study delves into the strategic importance of the Mediterranean Sea and examines key conflicts as well as the roles of extra regional actors such as NATO Russia and the USA in shaping dynamics within the Eastern Mediterranean

Arab Spring Challenges For Democracy And Security In The Mediterranean Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Arab Spring Challenges For Democracy And Security In The Mediterranean PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Arab Spring Challenges For Democracy And Security

In The Mediterranean PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Arab Spring Challenges For Democracy And Security In The Mediterranean free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Arab Spring Challenges For Democracy And Security In The Mediterranean Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
