Aramco Scaffolding Certification Question:

Civil Engineering ,1977 Typical Questions on Scaffolding ,1965 *The Scaffold Training Institute Learning Guide*
John Palmer,1994-10-01 **A Guide to Scaffold Use in the Construction Industry** U. S. Labor,Occupational
Administration,2012-06-25 OSHA 3150 A Guide to Scaffold Use in the Construction Industry The Occupational Safety and
Health Act of 1970 charges the Occupational Safety and Health Administration OSHA with protecting all working men and
women across the United States To do so the agency sets federal standards for general industry construction and shipyard
employment OSHA also promotes a variety of voluntary programs that strive to form partnerships with businesses labor and
other groups to help employers provide safer and more healthful workplaces for employees Some of the agency s voluntary
initiatives include safety and health management programs the Voluntary Protection Programs consultation assistance and
training and education programs and grants For more information on these outreach efforts see page 12 of this booklet The
agency s recent rule Safety Standards for Scaffolds Use in the Construction Industry rule aims to protect workers using
scaffolding in construction work Scaffolding hazards continue to rank high on the list of the most frequently cited standards
in the construction industry Scaffold related fatalities account for a significant number of fatalities in the construction
workplace This booklet addresses some of the most common questions about OSHA s scaffold standard It is all part of the
agency s effort to provide guidance to employers who need help in complying with OSHA s standards to protect the working
men and women across the nation This booklet is organized in a question and answer format to highlight pertinent
information that employers and employees need to know The subjects addressed in each question follow the basic
organization of the standard In addition each answer references the regulatory text where that particular information can be
located These references appear at the end of each answer in boldface type An appendix also includes an alphabetical index
to the standard for quick reference It is important to note that the question and answer section of this booklet simply
provides an overview of the standard For compliance with all of the regulation s requirements refer to the regulatory text or
