CAPTAIN COOK AND THE NORTHWEST PASSAGE

EDITED BY

JAMES K. BARNETT & DAVID L. NICANDRI

PREFACE BY ROBIN INGLES

Arctic Ambitions Captain Cook And The Northwest Passage

David Armitage, Alison Bashford, Sujit Sivasundaram

Arctic Ambitions Captain Cook And The Northwest Passage:

Arctic Ambitions James Barnett, David Nicandri, 2015 While dreams of a passage proved illusory Captain James Cook's journey produced some of the finest charts, collections and anthropological observations of his career. It also helped establish British relations with Russia and opened the door to the hugely influential maritime fur trade. This collection of essays from an international and interdisciplinary group of scholars including former Vancouver Maritime Museum executive director James P. Delgado and University of Alberta historian I. S. MacLaren uses artifacts, charts and records of the encounters between Native peoples and explorers to tell the story of this remarkable voyage. **Captain Cook's Final Voyage** James K. Barnett, 2020-10-14 Maritime historian and researcher James K. Barnett transcribed two extraordinary little-known journals from Captain James Cook's third exploratory voyage. They offer remarkable eyewitness accounts at the time of initial European contact, the first reasonably accurate maps of North America's west coast, the earliest comprehensive report from the Bering Sea ice pack and the dramatic story of Cook's death at Kealahou Bay. Astonishing for accounts of landings along Hawaii, Vancouver Island and Alaska, both chronicles languished in Australian archives for over a century. Barnett adds context and commentary to complete the story. Commissioned by the British Admiralty, Cook set sail in July 1776 to confirm the outline of North America's Pacific coastline and search for the elusive Northwest Passage. The expedition's sailing ships, the *Resolution* and the *Discovery*, traveled to the South Seas, then chanced upon the Hawaiian Islands before reaching the Oregon coastline. The Arctic Cook chose to winter in the Hawaiian archipelago where he died in a skirmish. His crews made a second attempt to find the coveted route, then returned to England after more than four years at sea. James Burney, first lieutenant on the *Discovery*, active in shore parties and chart preparation, saw Cook's death from the ship's deck. One of the few accounts from the consort vessel, his writing provides new details and important, thoughtful impressions of North and South Pacific people and places. Working under the notorious William Bligh, Henry Roberts was Master's Mate on the *Resolution*, performing essential hydrographic and cartographic tasks. He was a few feet away when Cook was killed. His well-illustrated logbook includes coordinates, tables of routes and records of weather at sea, but also lively accounts of shore excursions. Illustrations include maps and drawings as well as images by the expedition's official artist, John Webber.

Captain Cook Rediscovered David L. Nicandri, 2020-11-01 *Captain Cook Rediscovered* is the first modern study to frame Captain James Cook's career from a North American vantage. Although Cook is inextricably linked to the South Pacific in the popular imagination, his crowning navigational and scientific achievements took place in the polar regions. Recognizing that Cook sailed more miles in the high latitudes of all of the world's oceans than in the tropical zone, this book gives due attention to his voyages in seas and lands usually neglected. David L. Nicandri acknowledges the cartographic accomplishments of the Australasian first voyage but focuses on the second and third voyage discovery missions near the poles where Cook pioneered the science of iceberg and icepack formation. This ground-breaking book overturns an area of study that has been

typically dominated by the palm tree paradigm resulting in a truly modern appraisal of Cook for the climate change era

Captain James Cook and the Search for Antarctica James C. Hamilton, 2020-05-30 A fascinating account of the famous explorer's voyages through the southern Pacific and Antarctic Oceans based on firsthand journals and logbooks In the mid 18th century Captain James Cook undertook extraordinary voyages of navigation and maritime exploration to discover the Unknown Southern Continent He accomplished and encountered much during his three voyages through the uncharted southern waters yet his Antarctic voyages are perhaps the least studied of all his remarkable travels Now James Hamilton's gripping and scholarly study brings together the stories of Cook's Antarctic journeys into a single volume Using Cook's journals and the logbooks of officers who sailed with him this volume sets his Antarctic explorations within the context of his historic voyages Captain James Cook and the Search for Antarctica offers fascinating insight into Cook the seaman and explorer The exceptional navigational skills of Cook and his crew are vividly depicted as they survive foul weather across uncharted and inhospitable seas

Discovering Nothing David L. Nicandri, 2024-06-01 The many attempts by navigators to find a Northwest Passage via its Pacific portal all ended in failure however their discoveries spurred expansionist developments that would forever alter the landscape of North America In *Discovering Nothing* David L Nicandri maps a cast of geographic visionaries and practical explorers as they promoted or sought a workable commercial route linking the Pacific Ocean to the Atlantic The discovery of the legendary northern passage proved elusive but the equivalent land bridges that were built in the form of two transcontinental railroads changed the futures of Canada and the United States Drawing from close readings of explorers' personal journals Nicandri provides readers a detailed engaging and multifaceted investigation into the many players and failed enterprises at the core of this search beginning in the eighteenth century through to today and to the unexpected impact of climate change on this fabled passage

The British Navy in Eastern Waters John D. Grainger, 2022 Provides a comprehensive overview of the activities of the British navy in the Indian and Pacific Oceans from the earliest times to the present This book outlines the early voyages of the English East India Company its building of its own naval forces and its conflicts with Indian states It examines the opening up of the Pacific Ocean the wars with the French in the eighteenth and early nineteenth centuries and the activities of the British navy in the later nineteenth century both off the coasts of China and Japan and also in the many other places to which the navy's very great power extended It goes on to consider the wars of the twentieth century Britain's withdrawal from east of Suez and Britain's continuing relative decline Throughout the book provides accounts of battles and other actions and relates the activities of the British navy to the wider political situation and to the activities of other European and Asian navies

Governing the Environment in the Early Modern World Sara Miglietti, John Morgan, 2017-03-27 Throughout the early modern period scientific debate and governmental action became increasingly preoccupied with the environment generating discussion across Europe and the wider world as to how to improve land and climate for human benefit This discourse eventually promoted the reconsideration

of long held beliefs about the role of climate in upholding the social order driving economies and affecting public health

Governing the Environment in the Early Modern World explores the relationship between cultural perceptions of the environment and practical attempts at environmental regulation and change between 1500 and 1800 Taking a cultural and intellectual approach to early modern environmental governance this edited collection combines an interpretative perspective with new insights into a period largely unfamiliar to environmental historians Using a rich and multifaceted narrative this book offers an understanding as to how efforts to enhance productive aspects of the environment were both led by and contributed to new conceptualisations of the role of nature in human society This book offers a cultural and intellectual approach to early modern environmental history and will be of special interest to environmental cultural and intellectual historians as well as anyone with an interest in the culture and politics of environmental governance

The Wide Wide Sea Hampton Sides, 2025-05-27 NEW YORK TIMES BESTSELLER A thrilling and superbly crafted The Wall Street Journal account of the most momentous voyage of the Age of Exploration which culminated in Captain James Cook's death in Hawaii and left a complex and controversial legacy still debated to this day One of The New York Times Book Reviews 10 Best Books of the Year A BEST BOOK OF THE YEAR THE NEW YORK TIMES TIME THE ECONOMIST NPR THE NEW YORKER THE SMITHSONIAN AND KIRKUS REVIEWS In this masterly history Sides tracks the 18th century English naval officer James Cook's third and final voyage across the globe painting a vivid and propulsive portrait The New York Times Book Review On July 12th 1776 Captain James Cook already lionized as the greatest explorer in British history set off on his third voyage in his ship the HMS Resolution Two and a half years later on a beach on the island of Hawaii Cook was killed in a conflict with native Hawaiians How did Cook who was unique among captains for his respect for Indigenous peoples and cultures come to that fatal moment Hampton Sides bravura account of Cook's last journey both wrestles with Cook's legacy and provides a thrilling narrative of the titanic efforts and continual danger that characterized exploration in the 1700s Cook was renowned for his peerless seamanship his humane leadership and his dedication to science On previous expeditions Cook mapped huge swaths of the Pacific including the east coast of Australia and initiated first European contact with numerous peoples He treated his crew well and endeavored to learn about the societies he encountered with curiosity and without judgment Yet something was different on this last voyage Cook became mercurial resorting to the lash to enforce discipline and led his two vessels into danger time and again Uncharacteristically he ordered violent retaliation for perceived theft on the part of native peoples This may have had something to do with his secret orders which were to chart and claim lands before Britain's imperial rivals could and to discover the fabled Northwest Passage Whatever Cook's intentions his scientific efforts were the sharp edge of the colonial sword and the ultimate effects of first contact were catastrophic for Indigenous people around the world The tensions between Cook's overt and covert missions came to a head on the shores of Hawaii His first landing there was harmonious but when Cook returned after mapping the coast of the Pacific Northwest and Alaska his

exploitative treatment of the Hawaiians led to the fatal encounter At once a ferociously paced story of adventure on the high seas and a searching examination of the complexities and consequences of the Age of Exploration THE WIDE WIDE SEA is a major work from one of our finest narrative nonfiction writers *Navigating by the Southern Cross* Kenneth Morgan,2021-01-28 In this comprehensive study Kenneth Morgan provides an authoritative account of European exploration and discovery in Australia The book presents a detailed chronological overview of European interests in the Australian continent from initial speculations about the Great Southern Land to the major hydrographic expeditions of the 19th century In particular he analyses the early crossings of the Dutch in the 17th century the exploits of English buccaneer adventurer William Dampier the famous voyages of James Cook and Matthew Flinders and the little known French annexation of Australia in 1772 Introducing new findings and drawing on the latest in historiographical research this book situates developments in navigation nautical astronomy and cartography within the broader contexts of imperial colonial and maritime history **Oceanic Histories** David Armitage,Alison Bashford,Sujit Sivasundaram,2018 Freshly presents world history through its oceans and seas in uniquely wide ranging original chapters by leading experts in their fields

Yeah, reviewing a books **Arctic Ambitions Captain Cook And The Northwest Passage** could grow your near friends listings. This is just one of the solutions for you to be successful. As understood, achievement does not suggest that you have extraordinary points.

Comprehending as without difficulty as promise even more than extra will manage to pay for each success. bordering to, the statement as skillfully as sharpness of this Arctic Ambitions Captain Cook And The Northwest Passage can be taken as competently as picked to act.

Arctic Ambitions Captain Cook And The Northwest Passage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Arctic Ambitions Captain Cook And The Northwest Passage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Arctic Ambitions Captain Cook And The Northwest Passage has opened up a world of possibilities. Downloading Arctic Ambitions Captain Cook And The Northwest Passage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Arctic Ambitions Captain Cook And The Northwest Passage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Arctic Ambitions Captain Cook And The Northwest Passage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Arctic Ambitions Captain Cook And The Northwest Passage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Arctic Ambitions Captain Cook And The Northwest Passage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Arctic Ambitions Captain Cook And The Northwest Passage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Arctic Ambitions Captain Cook And The Northwest Passage Books

1. Where can I buy Arctic Ambitions Captain Cook And The Northwest Passage books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Arctic Ambitions Captain Cook And The Northwest Passage book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Arctic Ambitions Captain Cook And The Northwest Passage books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Arctic Ambitions Captain Cook And The Northwest Passage audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Arctic Ambitions Captain Cook And The Northwest Passage books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
