ARIEL SHARON

AN INTIMATE PORTRAIT

"Uri Dan was closer to this great Israeli than any other adviser or unabashed journalistic supporter, and their 50-year collaboration comes through loud and clear in this insider's biography."

—WILLIAM SAFIRE

URI DAN

Ariel Sharon An Intimate Portrait

Avi Shilon

Ariel Sharon An Intimate Portrait:

Ariel Sharon Uri Dan, 2025-10-16 In 1954 reporter Uri Dan met a young military commander named Ariel Sharon and followed him closely for more than half a century. Dan became Sharon's trusted advisor and a witness to the defining moments of the Israeli-Palestinian conflict from secret meetings with heads of state to open warfare in the Sinai. This riveting combination of political history, narrative biography, interviews, and correspondence sheds new light on the conflict in the Middle East and provides an intimate definitive portrait of Ariel Sharon, a man whose life is inextricably intertwined with Israel's destiny. With Hamas governing Palestine, Ariel Sharon gravely ill, and the party he founded, the Kadima, in control of the Knesset, this book couldn't be more timely.

Arik David Landau, 2014-01-10 From the former editor in chief of Haaretz, the first in-depth comprehensive biography of Ariel Sharon, the most important Israeli political and military leader of the last forty years. The life of Ariel Sharon spans much of modern Israel's history. A commander in the Israeli Army from its inception in 1948, Sharon participated in the 1948 War of Independence and played decisive roles in the 1956 Suez War and the six-day War of 1967 and most dramatically is largely credited with the shift in the outcome of the Yom Kippur War of 1973. After returning from the army in 1982, Sharon became a political leader and served in numerous governments, most prominently as the defense minister during the 1983 Lebanon War, in which he bore personal responsibility according to the Kahan Commission for massacres of Palestinian civilians by Lebanese militia, and he championed the construction of Israeli settlements in the West Bank and Gaza. But as prime minister, he performed a dramatic reversal, orchestrating Israel's unilateral disengagement from the Gaza Strip. Landau brilliantly chronicles and analyzes his surprising about-face. Sharon suffered a stroke in January 2006 and remains in a persistent vegetative state. Considered by many to be Israel's greatest military leader and political statesman, this biography recounts his life and shows how this leadership transformed Israel and how Sharon's views were shaped by the changing nature of Israeli society.

A High Price Daniel Byman, 2011-06-15 The product of painstaking research and countless interviews, *A High Price* offers a nuanced definitive historical account of Israel's bold but often failed efforts to fight terrorist groups. Beginning with the violent border disputes that emerged after Israel's founding in 1948, Daniel Byman charts the rise of Yasir Arafat's Fatah and leftist groups such as the Popular Front for the Liberation of Palestine organizations that ushered in the era of international terrorism epitomized by the 1972 hostage taking at the Munich Olympics. Byman reveals how Israel fought these groups and others such as Hamas in the decades that follow, with particular attention to the grinding and painful struggle during the second intifada. Israel's debacles in Lebanon against groups like the Lebanese Hizballah are examined in depth, as is the country's problematic response to Jewish terrorist groups that have struck at Arabs and Israelis seeking peace. In surveying Israel's response to terror, the author points to the coups of shadowy Israeli intelligence services, the much emulated use of defensive measures such as sky marshals on airplanes, and the role of controversial techniques such as targeted killings and the security barrier that separates Israel from Palestinian

areas Equally instructive are the shortcomings that have undermined Israel's counterterrorism goals including a disregard for long term planning and a failure to recognize the long term political repercussions of counterterrorism tactics

Netanyahu and Likud's Leaders Gil Samsonov, 2020-02-20 This research discusses the second generation Likud leaders known as the Princes who have dominated Israeli politics for most of the last three decades their relations with their parents and the extent to which they have followed in or diverged from their footsteps The main theme seeks to explore the unique perhaps unprecedented socio political phenomenon of generational duplication in a western type democracy This volume examines the ways and means through which the disciples of Zionist leader Ze'ev Jabotinsky managed not only to maintain lasting control of their mentor's creation to transform after Israel's establishment from a small opposition party into the country's dominant and ruling party but also hand down this political pre-eminence to their descendants Prime Minister Benjamin Netanyahu is the son of Ben Zion Netanyahu foreign minister of Jabotinsky's movement President Reuven Rivlin is the son of resistance warrior Rachel Rivlin MP Benny Begin is the son of Menachem Begin Former Prime Minister Ehud Olmert Tzipi Livni and many others were also part of those Princes A breakthrough in the world's inter-generational research the book is for readers interested in political science sociology and the politics of Israel and the Middle East Civil

Organizations and Protest Movements in Israel E. Marteu, 2009-05-25 This volume brings together cutting edge research on Israeli citizens and organizations mobilized around the Israeli Palestinian conflict These pioneering perspectives provide a wealth of information on state society relations in Israel the boundaries of civil mobilization and on the prospects for Israeli democracy **Menachem Begin** Avi Shilon, 2012-11-27 A full scale portrait of the enigmatic Israeli leader draws on wide ranging archival research and testimonials by his closest advisors to explore such topics as Begin's antagonistic relationship with David Ben Gurion his controversial role in the 1982 Lebanon War his leadership style and his changing ideologies

Fortress Israel Patrick Tyler, 2012-09-18 Once in the military system Israelis never fully exit writes the prizewinning journalist Patrick Tyler in the prologue to *Fortress Israel* They carry the military identity for life not just through service in the reserves until age forty nine but through lifelong expectations of loyalty and secrecy The military is the country to a great extent and peace will only come Tyler argues when Israel's military elite adopt it as the national strategy *Fortress Israel* is an epic portrayal of Israel's martial culture of Sparta presenting itself as Athens From Israel's founding in 1948 we see a leadership class engaged in an intense ideological struggle over whether to become the light unto nations as envisioned by the early Zionists or to embrace an ideology of state militarism with the objective of expanding borders and exploiting the weaknesses of the Arabs In his first decade as prime minister David Ben Gurion conceived of a militarized society dominated by a powerful defense establishment and capable of defeating the Arabs in serial warfare over many decades Bound by self reliance and a stern resolve never to forget the Holocaust Israel's military elite has prevailed in war but has also at times overpowered Israel's democracy Tyler takes us inside the military culture of Moshe Dayan Yitzhak Rabin Ariel Sharon and

Benjamin Netanyahu introducing us to generals who make decisions that trump those of elected leaders and who disdain diplomacy as appeasement or surrender Fortress Israel shows us how this martial culture envelops every family Israeli youth go through three years of compulsory military service after high school and acceptance into elite commando units or air force squadrons brings lasting prestige and a network for life So ingrained is the martial outlook and identity Tyler argues that Israelis are missing opportunities to make peace even when it is possible to do so The Zionist movement had survived the onslaught of world wars the Holocaust and clashes of ideology writes Tyler but in the modern era of statehood Israel seemed incapable of fielding a generation of leaders who could adapt to the times who were dedicated to ending Israel s isolation or to changing the paradigm of military preeminence Based on a vast array of sources declassified documents personal archives and interviews across the spectrum of Israel s ruling class Fortress Israel is a remarkable story of character rivalry conflict and the competing impulses for war and for peace in the Middle East **Israel Since the Six-Day War** Leslie

Stein,2014-08-13 Completing his acclaimed trilogy on the history of Israel Leslie Stein brings readers right up to contemporary events in Israel Since the Six Day War Stein vividly chronicles Israel s wars and military engagements but he also incorporates fascinating assessments of many other issues including Israel s economic development the nature of the PLO and Palestinian Authority and Israeli settlements in the West Bank and Gaza Furthermore Stein explores broader social issues such as extremist Jewish movements and the varying fortunes of migrants from Russia and Ethiopia to convey clearly a sense of the diversity and complexity of modern Israel Wide ranging and judicious Stein s cogent and compellingly readable account of Israel s recent past will engage students and general readers alike **Be Strong and of Good Courage** Dennis

Ross,David Makovsky,2019-09-03 Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation now Israel needs their example more than ever Modern Israel s founding fathers provided some of the boldest and most principled leadership of any nation Now Israel needs their example more than ever At a time when the political destiny of Israel is more uncertain than at any moment since its modern founding Be Strong and of Good Courage celebrates the defining generation of leaders who took on the task of safeguarding the country s future David Ben Gurion Menachem Begin Yitzhak Rabin and Ariel Sharon were all present at the creation of the new nation in 1948 Over the next sixty years each experienced moments when the country s existence was directly imperiled In those moments Israel needed extraordinary acts of leadership and strategic judgment to secure its future and these leaders rose to the occasion The strength they showed allowed them to prevail Today Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure This is the story of that epic struggle **Yom Kippur** Peter Baxter,2017-06-30 It is 25 years since the end of the Cold War now a generation old It began over 75 years ago in 1944long before the last shots of the Second World War had echoed across the wastelands of Eastern Europewith the brutal Greek Civil War The battle lines are no longer drawn but they linger on unwittingly or not in conflict zones such as Iraq Somalia and Ukraine In an era of mass

produced AK 47s and ICBMs one such flashpoint was the Middle East On the afternoon of 6 October 1973 the colossus of the Israeli Defence Forces was awakened by a wave of airstrikes followed by an artillery bombardment along the Suez Canal that preceded a meticulously planned Egyptian invasion of the Israeli held Sinai Simultaneously a massive Syrian armored assault bore down on Israeli positions on the Golan Heights The day was Yom Kippur the most holy day on the Jewish religious calendar and the commencement of a war that would bring the young state of Israel to the very brink of defeat In the aftermath of the Six Day War of 1967 a stunning Arab reversal at the hands of the untested Israeli Defence Forces Israel occupied and held Arab territory on the West Bank the Sinai Peninsula and the Golan Heights These were for the most part territorial buffer zones retained to protect Israel against an inevitable future war but their ongoing occupation remained an open diplomatic wound In the meanwhile a mood of complacency came to affect the Israeli military machine in the belief that air and armored dominance of the battlefield would as had been the case in 1967 guarantee a quick victory in any future war The Yom Kippur War proved the fallacy of this belief revealing critical weaknesses in Israeli intelligence capability and battlefield strategy The ferocity and effectiveness of the combined invasion pushed the much storied Israeli armed forces almost to the point of collapse Only the rapid resupply of arms and equipment by the United States and a display of extraordinary reliance and determination by the fighting forces of Israel rescued the young state from annihilation The story of the Yom Kippur War is an object lesson in the dynamism of military thinking the evolution of battlefield technology and the uneasy alliance of east and west during the Cold War era of détente Yom Kippur was both a military and political maneuver that adjusted the balance of power in the Middle East and set the tone for the ideological standoff that continues in the region to this day

Whispering the Secrets of Language: An Emotional Quest through **Ariel Sharon An Intimate Portrait**

In a digitally-driven world wherever monitors reign supreme and quick connection drowns out the subtleties of language, the profound techniques and emotional nuances hidden within phrases often move unheard. Yet, located within the pages of **Ariel Sharon An Intimate Portrait** a captivating fictional treasure pulsating with raw thoughts, lies a fantastic journey waiting to be undertaken. Composed by a skilled wordsmith, that wonderful opus encourages readers on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within ab muscles material of each and every word. Within the mental depths with this moving review, we will embark upon a heartfelt exploration of the book is key subjects, dissect their charming writing type, and yield to the strong resonance it evokes serious within the recesses of readers hearts.
