The Most Savage Of Them All K.L. Hall, 2019-03-20 Raised in the heart of the 305, Asaad Wolfe Calloway is vetted in the streets. Wolfe, a pseudonym he gained after fighting his way through the Miami streets like an animal, was born savage. His good looks and his attitude are for the faint of heart. Therefore, he only surrounds himself with those who will protect him by any means necessary: his two brothers, Law and Blaze Calloway. With no love in his heart, he samples all thirty-two flavors of women in his city until he finds the one woman he wants but can't have. Indigo is the girl of Kasen Franklin, who is expanding his West Coast empire into Miami territory. Pandora's Box is just too tempting not to open, and he doesn't care who he has to go through to get her. Law, the most levelheaded of the three, serves as his brother's right-hand man. Stepping up in rank to the empire that was built on his father's back, he's able to make more money to support himself, and the only girl who has his heart, Shiya. With more responsibilities on his plate, will he let his relationship with the streets interfere with his personal relationship? As the baby of the family, the only things Blaze Calloway is concerned with are smoking, good eating, good and living his best life. For him, that means getting money fast and blowing it even faster. When tragedy sweeps the Calloway family up like a tornado, will he step out of his brother's shadows for good and prove that he can be a boss in his own right? When you're at the top, there's nowhere to go but down. Wolfe's enemies want him dead right when his family needs him most. Witness the rise and fall of one of Miami's most legendary hustlers. If you thought Law and Blaze were savage, get ready to read about the most savage of them all. Please Note: This is a prequel to the *In the Arms of a Savage* Series. Read the full series in order: *The Most Savage of Them All*, *Wolfe Calloway's Story*, *In the Arms of a Savage 1-3*, *Built for a Savage*, *Blaze and Camille's Love Story*, *A Savage Calloway Christmas*.

collection anthology **In The Arms Of A Savage 3** K.L. Hall,2017-11-29 There are two kinds of people in this word people who take and people who get taken from I don t intend to be the latter anymore Law Calloway They say friends make the worst enemies but what about family The Calloway family secret was supposed to be taken to the grave Now that Raquel knows the two feuding families are intertwined in more ways than one and the man she loves is presumed dead she has to figure out her next move Whatever she decides she has to be careful After all she s carrying around his family s biggest secret along with what happened to Nashiya Will Raquel succumb to the fast and dangerous life of the man she loves as part of her vengeance against Dallas or will Derrick the one skeleton from her past spill the secret that unravels everything Everyone thinks that dead men tell no tales but that is a deadly mistake Now that the people Law loves and those who hate him the most think he s out of the picture for good he can make his moves in silence as he continues to lay out his plan on the path to ultimate respect He plans to leave no stone unturned when it comes to getting Detective Mason and the Price family off his back for good because this time around he s playing for keeps In the blink of an eye Blaze finds himself faced with new responsibilities and the weight of the world is on his shoulders now that he thinks he s the only Calloway man left to redeem his family s name With a baby on the way and a new relationship blooming with Nevaeh he has to be more mindful of the moves he makes Thinking with his mind and not with his gun for the first time may be one of the hardest things he s ever had to do Even with Nashiya gone Dallas still held up his end of their final bargain by giving Law a wedding gift he d never forget What he doesn t know is he may be playing right into Law s hand Dallas has his own ulterior motives in this cat and mouse game and wants proof of the information Raquel revealed to him to save her life Because now he knows the Price s and Calloway s were more than just enemies they were family In the finale of this ride or die love story everyone is seeking their own revenge by any means necessary As secrets come pouring out like rain will love conquer all even when it s foundation is shaky For both families it s not the beginning of the story that concerns them it s not knowing how it will all end **In The Arms Of A Savage** K.L. Hall,2017-08-08 I can t say I never wanted the perfect love story but the love I got was straight hood All 22 year old Raquel Valentine wanted was a carefree Miami vacation with her girls to celebrate graduating from college and to start planning her dream wedding to her high school sweetheart Derrick But when a man is gunned down right in front of her eyes and she captures the whole ordeal on her phone she instantly becomes the Calloway family s newest target Andreas Law Calloway was more than a drug dealer He was now the new head of an empire built by his family after the murder of his older brother Asaad Wolfe Calloway Law knows the streets like the back of his hand and now that he has the world at his fingertips his first order of business is to wreak havoc on those responsible for Wolfe s death Now that he s the one calling the shots his enemies will stop at nothing to destroy him because everyone wants a piece of the throne Although Law may be a disrespectful savage that makes the ladies swoon he s not a reckless bachelor swimming in a sea of women like his younger brother Aston Blaze Calloway Law is engaged to Nashiya who will be damned if anyone takes her place beside

him on the throne She's got the ring on her finger to prove it When Law makes the decision to spare Raquel's life he does so with one stipulation making sure the last place she thinks of going is to the police He never thought he'd find himself caught in between what his mind knows and what his heart wants Soon he finds himself drawn to Raquel in a way that he can't explain The chemistry between them is too strong for either of them to deny Raquel knows that her survival comes at a cost Will she do anything to escape back to her old life or stick with her new one Being around Law and the rest of the Calloway family may just turn her heart of gold into the heart of a savage

In The Arms Of A Savage 2 K.L. Hall, 2017-10-09 This isn't how I pictured my life but falling in love with Law may have been the deadliest decision I ever made Everybody knows that once a good girl goes bad she's gone forever Raquel has always been one to play by the rules but after her first taste of hood love she drops her old life without a second thought including her friends and the ashes of her last failed relationship When her ex fiancé Derrick comes to Miami in search of answers she'll be forced to answer the who what when and why of her new life What will she do when he asks for a second chance now that she's already given her heart away to Law She knows the savage in Law cannot be tamed and it will only be a matter of time before he's out for blood Can she play her new role and hold him down or will she leave Miami and go back to her old life The most valuable lesson Law ever learned wasn't from his parents it was from the streets whatever comes your way face it on your feet come hell or high water Now he finds himself enraged and in jail with his back against the wall Law knows his set up was not random but by design All roads lead to Shiya Although he's managed to stay clear of the judicial system thus far he just may have to clean up the mess his brother created even if that means doing a bid for a trigger he didn't pull As he prepares to beat his case Law will become a menace on the streets of Miami and show his enemies exactly why they call him Law He soon becomes the most sought after man by friends and foes alike It's no secret that the only thing that has Blaze's heart is the streets He's content with living his life on the edge making sure his family's empire continues to thrive and the Calloway name remains respected Blaze will always be his brother's keeper so when he learns of Law's imprisonment he sets out on his own path of revenge Under his reckless exterior he finds himself yearning for the love his brother shares with Raquel When a one night stand results in a positive pregnancy test he is forced to put his priorities in order Is he mature enough to wean himself off his fixation with exotic women and money Just when Shiya thought she was going to become Mrs Calloway she experienced the most embarrassing moment of her life when he stood her up at the altar Now all she's left with is a million dollar ring and a scorned heart With rage as the underlying factor she plans to settle her debt with the man who broke her heart and the woman she knows he left her for When she opens Pandora's Box her devious plot could put more than just the Calloway family at risk This love story is dripping with lies bloodshed and secrets some stretching back over twenty years When lines are blurred it becomes harder for everyone to see who their true enemies are After all love is a strong emotion but then again so is hate In the end you'll see if Miami's new favorite couple can weather the storm
