A Second Look at First Impressions Paul Friesen,2008-11 What does the Bible teach What did your parents teach you Is your faith just a mirror of someone else s views This book is about the challenge to separate and discover the truth for the student or reader I grew up with so many different belief systems Which one is right By choosing to take a second look at the first impressions I was able to empower my own faith By empowering my faith I was able to stand on a foundation of truth that made sense to me This strength and empowerment can be yours by using this book as a guide It is both simple to understand and easy to read but challenging to find definitions in our life based on the Bible or tradition Challenging your belief system allows you to personalize and strengthen your faith Seeing your belief system in smaller pieces helps you sort out falsehoods of traditions past with the truth resulting in a stronger system which can strengthen your personal relationship with God Disciple I Becoming Disciples Through Bible Study: Study Manual Richard B. Wilke,Julia Kitchens Wilke Trust,2010-09-01 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders The study gives the Old and New Testaments equal time emphasizing the wholeness of the Bible as a revelation of God DISCIPLE draws upon the work of scholars the personal Bible reading and study of the participant and dynamic group discussion to aid understanding of the Bible The first study in the program is DISCIPLE BECOMING DISCIPLES THROUGH BIBLE STUDY a thirty four week overview of the entire Bible Commitment and Time Involved Three and one half to four hours of independent study each week 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings Attendance at weekly 2 5 hour meetings Study Manual Each member of the group needs a study manual and a Bible The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session The study manual also includes suggestions for individual and study related activities Space is provided for taking notes while reading Scripture for recording thoughts and questions arising out of daily study and for notes during the weekly group session The titles of the sessions along with theme words and theme verses and major persons events and topics will set the sequence of the biblical story in the minds of the participants The principal Scripture for each session follows the chronological movement of the biblical story We recommend the New Interpreters Study Bible More

Rick Warren's Bible Study Methods Rick Warren, 2009-05-18

Demonstrates twelve different methods for reading the Bible that will not only help you understand its words more fully but will also nudge you toward applying those words to your life more faithfully. The Spirit of God uses the Word of God to make us like the Son of God, Rick Warren. You were created to become like Christ. This is one of the five God-ordained purposes for your life that Warren describes in his bestselling book *The Purpose Driven Life*. And this is why studying the Bible is so important. The Bible's truths have the power to shape you, transform you, align you with the character and ways of Jesus Christ as you encounter him in the gospels and throughout all of Scripture. Rick Warren's *Bible Study Methods* is an easy-to-understand guide through twelve effective reading methods that allow Scripture to do just that. Simple step-by-step instructions guide you through the how-tos of the following methods: Devotional, Chapter Summary, Character Quality, Thematic, Biographical, Topical, Word Study, Book Background, Book Survey, Chapter Analysis, Book Synthesis, Verse Analysis. The organization of this book allows you to explore each method or jump around to find the ones best suited to your reading and learning style as well as your spiritual growth. Thousands of individuals, small groups, churches, and seminary classes have used this practical manual to unlock the wonderful truths of Scripture. You can too. Written by America's pastor, Rick Warren, *Bible Study Methods* will help you develop a customized approach to studying, understanding, and applying the Bible.

Bible Study Manual Michael Youngblood, 2010-11-04. This book is a step-by-step guide of how to study the Bible. You begin with a look at how the sequence of events and the background context determines the main lesson God intends for the passage. Next, you learn how to find additional passages about any Bible subject and how to find the root meaning of them. The last part of this seminar shows you how all physical, mental, spiritual things can be understood and determined by three simple principles and ends on how to apply the Bible to your daily life. Anyone can study and learn from the Bible, even if they have had very little education.

The Bible Study Manual Harold Bruce Hunting, 1910. [Bible Study Manual](#) Pastor Messan Esaie, 2020-07-07. It is with great pleasure and honor that I personally thank you for obtaining this book. I believe the Word of God, Bible, is the only source for absolute divine authority, and the Holy Spirit's influence in our understanding and applying God's Word in our daily lives is key. The Word of God is totally authoritative and unfailing. During a very long course of years in ministry, I have had occasion to study the Bible and to read commentaries and reviews I taught in Sunday school, Bible study classes, and in two Bible colleges. I have always been fascinated with teaching the Bible. I came to understand that studying the Word of God is a vital discipline in the life of a Christian. However, it occurs to me that prayer meetings and Bible Study meetings are the least attended program in many local churches. So I asked myself a question: What are the reasons why Christians do not dedicate their time and energy to studying God's Word? I found the answers. First, the lack of fun in learning while studying Bible is one of the factors. Second, the topics are not as challenging and exciting as many may think. This manual is designed to challenge your knowledge and comprehension of the scriptures while you have fun exploring the

biblical principles of the Bible The manual is designed to give you a structure to break up your Bible study into manageable series Each series will take you a month to complete but some will take more based on the depth and maturity of your audiences This manual can also be used as personal devotional book as it contains the total truth necessary for living The main aim of this manual is to assist you in studying the Bible and help you build a firm foundation for your faith This manual also helps you to avoid theological error as we study to prepare ourselves for disciple making ministry and service 1 Timothy 4:16 admonishes Take heed unto thyself and unto the doctrine continue in them for in doing this thou shalt both save thyself and them that hear thee

Disciple Remember Who You Are Study Manual Richard B. Wilke Trust, 2010 DISCIPLE REMEMBER WHO YOU ARE is part of the four phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY The driving idea in this study is the connection between memory and identity as the people of God The word You in the title is meant to be heard both in its singular form the individual and its plural form the community We are a community of memory Participants in this thirty two week study will read the major and minor Old Testament prophets with the exception of Daniel and will read the thirteen Letters traditionally attribu
