

BIOLOGY EOC STUDY GUIDE

This study guide is designed to help students prepare to take the Biology End-Of-Course Test. This study guide contains tips on how to prepare for the test and some strategies students might use to perform their best during the test.

STUDY TOOLS AND RESOURCES

It is critical that when studying, students have the appropriate environment that fosters and supports positive study habits. Listed below are some suggested study tools and resources that students might consider when preparing for the EOC, during class or independently.

DESIGN OF THE BIOLOGY EOC

Question Format: The Biology EOC test contains 80 multiple choice questions.

PREPARING FOR THE EOC

NOTE: Preparing for the Biology EOC test will take time, effort, and practice. You cannot prepare for the Biology EOC test in one night!

In order to do your best on the Biology EOC test, it is critical that you take the time to prepare and develop study skills. First, you need to make sure that your classroom experiences and study time are used efficiently and productively. Second, it is most helpful to know some general test-taking strategies to ensure that you will achieve the best score.

Here are some important questions to ask yourself when developing your study skills. Your answers may help you define some areas in which you need to make some improvements.

1. How would you describe yourself as a student?
2. What are your study skills strengths and/or weaknesses as a student? What methods help you the most?
3. How do you typically prepare for a biology test?
4. Compare an ideal study situation (environment) to your actual study environment.
5. What can you change about the way you study to make your study time more productive?
