

Argumentative Writing: Graphic Organizer

1. As in any essay the first paragraph of your argumentative essay should contain a brief explanation of your topic, some background information, and a thesis statement. In this case, your thesis will be a statement of your position on a particular controversial topic. You are making a claim.

2. Support your claim with more than one supporting reason in logical order. Next, give evidence to support your reasons.

3. Make at least one (1) counterclaim (the other side of the argument).
4. Next, provide facts or examples to refute it (make a rebuttal).

5. Provide a concluding statement that calls the audience to take action.
