

SPIRITUAL WISDOM AND UNDERSTANDING

--Jeff Syverson

"His power brings great endurance and patience and joyful thanksgiving for all that God has done for us. These are qualities that are especially needed when we go through the trials of life. It takes our eyes off the problems and enables us to put our hope in God and his promises."

Kodua,2020-12-15 Wisdom is the principle thing say the sacred scriptures For this reason there is a need for all humankind to know and understand what wisdom is all about Living in His Wisdom presents an exploration of the concept of wisdom through Bible study Author Elisha T Kodua explains that the letters in the word wisdom carry a message and characterize the nature and the life of Christ Walking in the light of God Inspiring others through the ministrations of the Holy Spirit Seeking and serving the savior first in truth and holiness Doing the will of the Father who is in heaven Obeying the heavenly vision or calling Maintaining constant and consistent fellowship and faithfulness to God and humanity These characteristics represent Christ Himself and those people who possess these traits embody true wisdom It is the will of God and a prayer of the Lord Jesus Christ that the Holy Spirit will enable you to clearly understand the mysteries revealed here and be full of wisdom in Jesus s mighty name **Wisdom** Bill Hybels,2003-02-07 Based on the book of Proverbs and Bill Hybels s Making Life Work this study guide will help you develop discipline speak truth and strengthen relationships equipping you to think and act out of godly wisdom God's Wisdom Is Available to You Jack Hartman,Judy Hartman,2001-12-01 This book explains God s wisom how to receive God s wisdom how to live in the power and wisdom of God each day how to receive revelation knowledge how we block God s wisdom and a 219 question comprehensive Study Guide It is excellent for personal Bible study in family devotions in small groups in Sunday School classes in Bible colleges in Christian schools and in Home Schooling The Pursuit of Wisdom Alice Mathews,Karen Mason,2015-08 The Pursuit of Wisdom is a 4 part Bible study that helps us understand the Proverbs 31 model of wisdom and apply those truths to our own lives **The Vision of Wisdom** Gerald Filyaw,2014-12-18 The Vision of Wisdom is Holy Inspired by God God speaks according to His Word that has already been written The Holy Bible He will not speak anything contrary to His already written Word Every word that is written in The Vision of Wisdom is in sync with God s already written Word Before reading pray and ask God to give you knowledge and understanding of what you re about to read Without seeking God first these

words of wisdom will not make sense to the carnal mind The Word of God speaks of this in 1 Corinthians 2 14 NLT But people who aren't spiritual can't receive these truths from God's Spirit It all sounds foolish to them and they can't understand it for only those who are spiritual can understand what the Spirit means God gave me The Vision of Wisdom over the last eleven years 2003-2014 after I sought Him asked Him for wisdom This book is Volume I of III There is much that I do understand and then there are some that I myself still have not received the wisdom to understand exactly what God is saying but as I continue to read and seek Him He grants unto me more understanding of what He is saying Therefore I encourage you to seek God Ask God for knowledge wisdom and understanding In the book of James James 1 5 NLT it is written If you need wisdom ask our generous God and he will give it to you He will not rebuke you for asking After you pray and ask God for knowledge wisdom and understanding believe that He has heard you and by faith receive because that's what you asked Him for As you read The Vision of Wisdom allow the words of wisdom to minister to your heart and mind Don't try to figure it out carnally if there's something you read that you don't understand ask God for understanding There were several times God had given me a phrase and the next sentence or sometimes a couple days later He would give me what seemed like the same phrase all over again but once I went back and read the two phrases I realized though they were alike they were not totally the same At first I could not understand why God was repeating Himself just in a different manner He then let me know we learn by repetition the more we hear or read something it will take root in us Hence His reason for doing this is because He is depositing His wisdom in us not wisdom from man but He is depositing His wisdom in us as we take in His words I know that The Vision of Wisdom will bless you just as it has blessed me because these words are Holy Inspired by God this wisdom is not of my own but from Him As you read you too will know that the mind of man could not fathom what God is saying therefore it had to come from Him Thank God for a spiritual mind to understand the things of the spirit
