Rick Bragg

Big Lots Above Ground Pools:

Gone South Meg Moseley, 2013-05-07 The charm of the South drew her back to her family's roots. But when the town's old resentments turn the sweet tea bitter, can Tish find a welcome anywhere? Tish McComb never imagined that she would leave frosty Michigan for the Deep South, but an opportunity to buy her great great great grandparents' Civil War era home beckons Tish to Noble, Alabama, a Southern town in every sense of the word. She wonders if God has given her a new dream since her dreams of marriage and family were dashed five years earlier in a tragic accident. The old house filled with friends, her vintage percolator bubbling on the sideboard. When Tish discovers that McCombs aren't welcome in town, she feels like a Yankee behind enemy lines. Only George Zorbas, the local antiques dealer, seems willing to give her a chance. So what's a lonely outcast to do but take in Noble's resident prodigal daughter, Melanie Hamilton, and hope that the two can find some much needed acceptance in each other. Problem is, old habits die hard, and Mel is quite set in her destructive ways. With Melanie blocked from going home, Tish must try to manage her incorrigible houseguest as she attempts to prove her own worth in a town that seems to have forgotten that every sinner needs God-given mercy, love, and forgiveness. Hatchling Hero

J. A. Watson, 2018-03-06 Clarita Rosita Santiago Romero hasn't made many friends since moving to North Carolina last year. But that changes when she joins her local Science Squad and simultaneously gets sucked into a quest to defend a sea turtle and her eggs from poachers. But how much impact can a group of kids have on one sea turtle's life? **Guide for**

Outdoor Building & Maintenance Dick Demske, L. Donald Meyers, 1977 **All Over but the Shoutin'** Rick Bragg, 2010-08-18 NATIONAL BESTSELLER From the Pulitzer Prize winner and bestselling author of a grand memoir, Bragg tells about the South with such power and bone-deep love that he will make you cry. Atlanta Journal-Constitution: "This haunting, harrowing, gloriously moving recollection of a life on the American margin is the story of Rick Bragg, who grew up dirt poor in northeastern Alabama, seemingly destined for either the cotton mills or the penitentiary, and instead became a Pulitzer Prize-winning reporter for The New York Times. It is also the story of Bragg's father, a hard-drinking man with a murderous temper and the habit of running out on the people who needed him most. But at the center of this soaring memoir is Bragg's mother, who went eighteen years without a new dress so that her sons could have school clothes and picked other people's cotton so that her children wouldn't have to live on welfare alone. Evoking these lives and the country that shaped and nourished them with artistry, honesty, and compassion, Rick Bragg brings home the love and suffering that lie at the heart of every family. The result is unforgettable." *Behind the Mask* Ronald Jeffers, 2018-11-15 The autobiography of Ron Jeffers is the long-awaited book of his life, starting in the ghettos of Cincinnati and becoming a name well known in the sports field. For over fifty years, he has written newspaper and magazine articles and several how-to and rule books for baseball and softball. Jeffers has travelled the world as a public speaker, including speaking for the National Olympics Committee. Staying true to his roots, he still lives in the Cincinnati area with his wife Vera.
