Wolf Of Sight Quinn Loftis, 2019-09-25 To become a witch or not to become a witch That is the question At least that s the question Kara Heather and Stella three of the gypsy healers are facing The high fae ambassador Perizada the healers and a host of wolves are in a race against time to create the witch army that Volcan desires But they must also keep the gypsy healers beings of pure light and goodness from becoming evil in the process Should be a piece of cake Meanwhile the werewolf males are fighting their innate hunger to mark their mates and finish the Blood Rites thereby keeping their own darkness at bay If they remain unbound a chink forms in the packs armor one that Volcan won t hesitate to exploit when he finds it

The Hybrid Rule Quinn Loftis, 2023-03-28 So many impossibly powerful foes have opposed the wolves and their allies over the years Evil witches warlocks fae elves and alphas just to name a few And all have found the pack too strong to break But the foe hellbent on taking down the pack now the vampire king Cain has a plan that might finally tip the balance of power away from the wolves In the middle of the desert Cain works desperately to find a way to mix the blood of wolves and vampires While most find the idea reprehensible Cain believes it is the key to his victory He imagines an army of unstoppable hybrids with the combined power of the vampires and the Canis lupus Such a force would be unstoppable even for the

powerful of alpha of alphas Fane Lupei And Cain just might have found the secret ingredient necessary to bring his plans to fruition *Jewel of Darkness* Quinn Loftis,2015-12-29 Dalton Black never thought he d find his true mate His dark past convinced him that he could never be worthy of one but the Great Luna did not agree She saw fit to give him a gypsy healer the purest of heart among their kind And now that he s finally found her she slips through his grasp and into the hands of Volcan a corrupt high fae driven mad by his own need for power Now Dalton with help from his own powerful friends must find Jewel and rescue her before Volcan can use her blood to create witches and once again throw off the balance of good and evil As their journey begins Perizada will once again lead a group of wolves on a hunt to bring down evil but little do they know that Volcan is just a drop of blood in the sea of supernatural beings about to darken their path *The Grey Wolves Novella Collection* Quinn Loftis,2021-01-13 A pack is made up of many members And each of those members has his or her own story to tell The following is a collection of four stories of the Romanian Greys and their allies Sacred Silence I thought nothing could be eviler than Desdemona or Reyaz or any other villain we ve faced down I was wrong I read all the books I could devour on the beauty of parenthood I thought I was ready But nothing could have prepared me for the hurricane of jacked up emotional chaos otherwise known as post partum hormones Jen Resounding Silence Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Piercing Silence It s been six months since Jacque Lupei was imprisoned in the dark forest with her female pack mates wondering if they would ever see their mates again Six months since she and Fane found out that Jen and Decebel would not be the only couple adding a new pup to the pack Six months of peace and quiet other than Jen running her mouth incessantly about Sally getting to go on an adventure with Peri while she has to miss all the fun When she isn t complaining about that she spends her time commenting on how Jacque s butt is getting wider by the minute Jacque doesn t know it but the reprieve was about to be over Forgotten Silence Filthy Disgusting Unworthy trash The same thoughts keep swirling in Sally s mind She s broken and no one can fix her not her friends try as they might and not her beautiful mate She d thought when Costin had rescued her from Jericho s clutches broken the spell the rogue werewolf had cast on her and left the cur lying in bloody pieces on the floor of an Ocean Side bar that one day she might find some peace Perhaps with time she could forget the horrible things she d done Perhaps she could forget how she had betrayed her one true mate Now several weeks later the memories and the nightmares have only grown stronger **Blood Rites** Asa Hooker,2014-03 **Blood Rites** Barry Nazarian,2013 Blood Rites Samuel Coale,1998-01-01 **Blood Rites** ,
