Alchemist Ben Jonson:

The Alchemist Ben Jonson, 2019-04-12T22:10:41Z First performed in 1610 *The Alchemist* is one of Ben Jonson's greatest comedies. Written for the King's Men, the acting company to which Shakespeare belonged, it was first performed in Oxford because the playhouses in London were closed due to the plague. It was an immediate success and has remained a popular staple ever since. The play centers around a con man, his female accomplice, and a roguish butler who uses his master's house to gull a series of victims out of their money and goods. Jonson uses the play to satirize as many people as he can: pompous lords, greedy commoners, and self-righteous Anabaptists alike. As his three con artists proceed to bilk everyone who comes to their door, they don multiple roles and weave elaborate tales to exploit their victims' greed and amass a small fortune. But it all comes to a sudden, raucous end when the master unexpectedly returns to London and all the victims gather to try and reclaim their property. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Alchemist Ben Jonson, 2022-01-29 *The Alchemist* is a comedy by English playwright Ben Jonson. First performed in 1610 by the King's Men, it is generally considered Jonson's best and most characteristic comedy. Samuel Taylor Coleridge believed that it had one of the three most perfect plots in literature. The play's clever fulfilment of the classical unities and vivid depiction of human folly have made it one of the few Renaissance plays, except the works of Shakespeare, with a continuing life on stage apart from a period of neglect during the Victorian era.

The Alchemist Ben Jonson, 2017-08-11 The greatest of English dramatists except Shakespeare, the first literary dictator and poet laureate, a writer of verse, prose, satire, and criticism, who most potently of all the men of his time affected the subsequent course of English letters, such was Ben Jonson, and as such his strong personality assumes an interest almost unparalleled at least in his age.
