Where is Najeeb? Prabuddh Banerjee, 2021-08-19 For the attention of travellers here are attached two photos of Jean Baptiste Talleu French cycling from France to Asia He s 26 years old 1 80 m tall he has long curly brown dark hair always tied He s thin and usually wears beige brown blue or black clothes never multicoloured If you see him please tell him to give us some news and if you have any helpful information please write us an e mail If I have to take police protection in my own country from my people then there is something wrong with me I m fighting within the framework of the Indian Constitution and it is not against anyone but for everyone It seems he foresaw his death For he sketched a man decapitating another man with an axe that is how his body was found in Aarey A suburb of Mumbai sometime later His murder had all the signs of human sacrifice but the question is who killed him And why Where is Najeeb and Other Unsolved Crime Stories from India is one such book that should be on every bestseller list because this book is indeed the one that deserves it The author s idea of this book is to apprise the readers with similar cases where the failure of the police to act promptly or investigate properly shook the public s faith in the police administration In addition Prabuddh has highlighted the causes behind the poor police administration inadequate training of newly recruited police officials low salary structure lack of resources and an ethical environment to encourage professional practices and mindset Prof Anoop Swarup Chairman Center for Global Nonkilling Former Vice Chancellor Jagran Lakecity University Bhopal

Healers or Predators? Samiran Nundy, Keshav Desiraju, Sanjay Nagral, 2018-06-29 For every story of optimism about the growth of medical tourism to India there are multiple others about medical neglect Scratch the surface and you find a thick layer of corruption in this life sustaining sector This hard hitting volume shows a mirror to society and more specifically to those associated with the health sector on how healers in many cases are shifting shape to becoming predators In the essays by contributors from within and outside the medical fraternity we see the many faces the many facets of corruption from exorbitant billing by corporate hospitals to the non merit based selection in medical colleges to questionable motives playing strong in the area of organ transplantation But Healers or Predators is not only about the illness affecting the sector It also offers solutions and some stories of hope The Foreword by Amartya Sen is an added bonus This splendid if depressing book will do a lot to remedy the momentous neglect of healthcare We have excellent reasons to be grateful to the authors and editors of this important collection of investigative studies Amartya Sen

The Dark Reality of India Harsh Dubey , 2025-09-01 India is often celebrated as the world s fastest growing economy a land of innovation tradition and opportunity But behind the glittering headlines lies a darker uncomfortable truth a reality that millions of Indians live every single day The Dark Reality of India takes readers on a powerful thought provoking journey through the hidden struggles that rarely make it to the spotlight This book uncovers the social political and economic shadows that shape modern India exposing the gap between the country s grand promises and the lived experiences of its people Inside you will explore The Illusion of Growth Why the dream of a 5 trillion economy hides

poverty and unemployment Broken Systems From fake degrees to collapsing healthcare how ordinary citizens are left behind Everyday Inequality Women s safety caste discrimination and the struggles of farmers that remain unsolved Politics Propaganda How power corruption and paid media silence real issues The Hidden Cost of Development Forests destroyed tribal communities displaced and a climate crisis threatening the future The Global Image vs Ground Reality How Bollywood glamour digital divide and media narratives mask deeper problems This is not just a book it is a mirror to society asking hard questions that every Indian and every observer of India must confront Written in a bold yet relatable style it combines research real life stories and critical insights to present the truth beyond the headlines Whether you are an Indian citizen who wants to reflect on the nation s journey or a global reader seeking to understand the world s largest democracy beyond stereotypes this book will open your eyes to India s untold side Why Read This Book Because understanding India s challenges is the first step toward shaping its future This is a book for thinkers changemakers students professionals and anyone who dares to look beyond the surface The Dark Reality of India is more than just an expos it is a wake up call

CORRUPTION Is Eating Country Like Termite Dr. K P Agrawal,2022-06-01 Corruption like an epidemic is something which has seeped deep into our society and wiping away something which exist from the root to the tip of the leaves is a long process which requires time It is not easy to get rid of corruption from a country like ours where it exists at every level be it the public or the private sector Even NGOs are not free from corruption We need a holistic approach to go into the causes and roots of corruption This requires administrative judicial and parliamentary reforms The four Cs corruption criminalisation communalism and casteism besides the power of three Ms money muscle and mafia have to be eradicated from grass root level through effective legislation Steep rise in population extreme poverty unemployment shortage of land and food pollution poor quality of life deteriorating socio economic conditions and standards of living compel many to go for corrupt practices The book covers issues such as 1 Areas of Corruption 2 Corruption in Different Sectors 3 Anti corruption Policies Laws Acts and 4 How to Combat Corruption The book will be of immense value to policy makers programme planners public and private sectors NGOs social and environmental workers developmental practitioners and the people in general who dream to see India Free from Corruption The views expressed by the author are personal and derived after a long study of valued documents

Business Ethics and The Bhagavad Gita Subba Rao Pulapa,2020-09-17 The author of this book asserts that an absence of ethical leadership and unethical practices were the reasons for major global business scandals such as Enron Satyam Lehman Brothers and WorldCom This book analyses the causes for these unethical activities and interprets important verses from The Bhagavad Gita to show business executives and leaders how to lead ethically for the greater good of all stakeholders and society As a remedy to avoid future scandals the author points to several ethical directions and the principle of Dharma mentioned in The Bhagavad Gita by Lord Krishna a major deity in Hinduism who is considered Dharm tman one who imbibes the Dharma Written in conversation style using an executive education scenario

this book examines real world cases in various sectors like education medical non government organizations NGOs and retail using the directions of the Dharm tman One vs All Ashok Anand,2016-08-23 One vs All Narendra Modi Pariah to Paragon is all truth Ashok Anand has dissected ages old layers of ignorance myths and ego with his surgical observation to let the truth breathe out of the diseased society It shames the political class bureaucracy and religious bigots It unmasks an absolutely hypocrite society that clings to the past despises change lives in denial but notorious for hidden avarice arrogance and lust Each chapter of this book will unfold many bitter truths Have ever thought why a poor tea seller boy today occupying the prime minister s chair is not corrupt greedy and foul mouthed like most of the others in the country How a Pariah pronounced by the anti national political forces could become a Paragon of values The Indian society howsoever ignorant and selfish maybe needs space to evolve grow and prosper Would Narendra Modi be able to do that Truth is very hard to digest If brave enough go ahead and read Not a thriller Better than a thriller One vs All Narendra Modi Pariah to Paragon takes the reader to the demonic world of Indian politics surrounded by the intrigues of a superstitious and ignorant society that loves dwelling in the past and detests any change **Revolutionizing Indian Law: Trends, Challenges And Future Directions** Ms. Sangeeta Arya,2025-05-03 This book provides a comprehensive exploration of the Indian legal system tracing its historical evolution and the influence of colonial rule It delves into the structure of India s judiciary legislature and Constitution highlighting fundamental rights judicial review and legal reforms Covering contemporary trends it examines technological advancements in law corporate regulations environmental legislation and human rights protections The book also addresses key challenges such as corruption gender justice and access to legal education With discussions on emerging legal fields landmark cases and policy reforms it serves as a valuable resource for students professionals and policymakers shaping India s legal future Malicious Script of Indian Polity Sandeep Chavan,2024-11-04 Malicious Script of Indian Polity Unlocking the Secrets of Power Corruption and Change takes a deep dive into the intricate web of Indian politics addressing the hidden flaws and dysfunctions of the system that often remain unseen The title reflects the metaphor of Indian politics as a malicious script full of bugs glitches and intentional loopholes that prevent the system from functioning smoothly This book explores these flaws revealing how power corruption and polarization have taken root while offering remedies and reflections for reforming the system The book provides a comprehensive look at India s political framework offering a blend of historical context contemporary issues and a vision for the future It starts by breaking down the fundamental definitions and origins of politics followed by an overview of how power influence and decision making work in the Indian context It explains different political ideologies and how the Indian Constitution serves as the backbone of the nation s democracy In the subsequent chapters the reader is taken through the rise of political parties coalition politics and the ever changing dynamics of governance It analyzes the role of election campaigns funding and the impact of media on political narratives A dedicated chapter on corruption highlights how systemic issues have plagued the political landscape

presenting case studies of landmark scandals and assessing the impact of corruption on ordinary citizens Polarization is another core theme as the book addresses how politics in India is often divisive exploiting factors like caste religion and language for political gain It also scrutinizes the role of media in furthering these divisions and examines how this polarization impacts national unity and governance The book moves beyond critique to provide practical solutions and reflections on how India can move toward a more transparent and accountable political system From grassroots anti corruption movements to government reforms and citizen activism *Malicious Script of Indian Polity* outlines steps to dismantle this script and rewrite the narrative for a brighter political future Youth participation is a crucial theme throughout the book encouraging young Indians to engage with politics understand their role in shaping the nation and possibly take on leadership positions The digital era has changed how politics is conducted and this book underscores how technology and social media can be powerful tools for accountability and change Why is this book necessary Because despite being the world's largest democracy the Indian political system is far from perfect The issues that plague it from corruption to polarization to inefficiencies affect every citizen often without them realizing it By providing a candid look into these deep seated problems this book aims to educate readers on how the political system works or doesn't what's at stake and what they can do about it *Malicious Script of Indian Polity* is not just a critique but a guide It offers readers especially the youth an opportunity to reflect on the challenges within the system and find ways to be part of the solution For teachers educators and policymakers it serves as a valuable resource to spark informed discussions and create awareness among the younger generation Written by Sandeep Chavan a seasoned educator industrial engineer and social thinker the book combines his vast experience in industry and education with his deep understanding of political systems and governance This book is an invitation to everyone who believes in the promise of democracy but knows that like any script it requires constant editing to work for the people

Press Freedom in Contemporary Asia Tina Burrett, Jeffrey Kingston, 2019-11-05 This book analyzes the constraints on press freedom and the ways in which independent reporting and reporters are at risk in contemporary Asia to provide a barometer of democratic development in the region Based on in depth country case studies written by academics and journalists and some who straddle both professions from across the region this book explores the roles of mainstream and online media and how they are subject to abuse by the state and vested interests Specific country chapters provide up to date information on Bangladesh Kashmir Malaysia Myanmar Nepal Pakistan Sri Lanka Taiwan Thailand and Vietnam as well as on growing populist and nationalist challenges to media freedom in the Philippines India Indonesia and Japan The book includes a theoretical chapter pulling together trends and common constraints facing newsrooms across Asia and a regional overview on the impact of social media Three chapters on China provide insights into the country's tightening information environment under President Xi Jinping Moreover the legal environment of the media political and external pressures economic considerations audience support and journalists standards and ethics are explored As an international and

interdisciplinary study this book will appeal to undergraduates graduates and scholars engaged in human rights media studies democratization authoritarianism and Asian Studies as well as Asia specialists journalists legal scholars historians and political scientists Applied Ethics and Rationality Fr Kuruvilla Pandikattu SJ, 2025-08-20 This book provides an in depth exploration of ethics and rationality in the context of the contemporary Indian perspectives focusing on applied ethics in organizational technological environmental and philosophical contexts It addresses the urgent need for ethical frameworks in our rapidly evolving world offering insights and practical solutions grounded in Indian philosophical traditions It covers organizational ethics where the role of ethical practices in fostering academic excellence employee well being and inclusive leadership is examined Corporate social responsibility and environmental ethics are discussed through case studies on renewable energy climate change disclosures and sustainable business practices emphasizing the importance of ethical corporate governance
