Stephenson,1992-07-01 Bonded Leather binding **Abraham Lincoln and the Union [microform] : a Chronicle of the Embattled North** Nathaniel Wright Stephenson,1918 **Abraham Lincoln and the Union** Nathaniel W. Stephenson,2015-07-04 Excerpt from Abraham Lincoln and the Union A Chronicle of the Embattled North IN spite of a lapse of sixty years the historian who attempts to portray the era of Lincoln is still faced with almost impossible demands and still confronted with arbitrary points of view It is out of the question in a book so brief as this must necessarily be to meet all these demands or to alter these points of View Interests that are purely local events that did not with certainty contribute to the final outcome gossip as well as the mere caprice of the scholar these must oh viously be set aside About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Abraham Lincoln and the Union Nathaniel W Stephenson,2020-07-04 There is really no Union now between the North and the South No two nations upon earth entertain feelings of more bitter rancor toward each other than these two nations of the Republic This remark which is attributed to Senator Benjamin Wade of Ohio provides the key to American politics in the decade following the Compromise of 1850 To trace this division of the people to its ultimate source one would have to go far back into colonial times There was a process of natural selection at work in the intellectual and economic conditions of the eighteenth century which inevitably drew together certain types and generated certain forces This process manifested itself in one form in His Majesty s plantations of the North and in another in those of the South As early as the opening of the nineteenth century the social tendencies of the two regions were already so far alienated that they involved differences which

would scarcely admit of reconciliation It is a truism to say that these differences gradually were concentrated around fundamentally different conceptions of labor of slave labor in the South of free labor in the North **Abraham Lincoln and the Union: A Chronicle of the Embattled North** Nathaniel W. Stephenson, 2019-12-03 In **Abraham Lincoln and the Union: A Chronicle of the Embattled North** Nathaniel W. Stephenson offers an incisive analysis of the political landscape and social dynamics of the Northern states during the tumultuous years of the American Civil War Through a blend of meticulous historical research and evocative narrative Stephenson captures the complexities of Lincoln's leadership as he navigated the myriad challenges facing a fractured nation Written in a style that is both accessible and richly detailed the book situates Lincoln not only as a pivotal figure but also as a symbol of the North's struggle for unity in the face of dissent and discord evoking the emotional and ideological battles that shaped this crucial period in American history Nathaniel W. Stephenson a prominent historian and biographer was deeply influenced by the socio-political climate of his time which spurred his interest in Lincoln's legacy His scholarly background in American history and his commitment to illuminating the narratives of underrepresented voices enrich this work Stephenson sought to understand the polarized sentiments of the nation drawing on contemporary documents and accounts to present a well-rounded depiction of Lincoln's presidency amidst external and internal strife This book is a must-read for anyone interested in American history particularly those who wish to grasp the nuances of Lincoln's impact on the Union By weaving together personal anecdotes historical context and political analysis Stephenson's chronicle not only informs but also engages readers fostering a deeper empathy for the struggles faced by both the leader and the nation during one of its darkest hours

The Enigmatic Realm of **Abraham Lincoln And The Union A Chronicle Of The Embattled North**: Unleashing the Language is Inner Magic
