Abraham Lincoln John F. Grabowski, 2009 [The Unquotable Abraham Lincoln](#) Lochlainn Seabrook, 2016-01-10 If we are to believe the nearly 20 000 books that have been written about President Lincoln by pro North and New South historians he was an ardent abolitionist a Bible believing Christian and a Constitution loving conservative who headed the most ethical administration in U S history preserved the Union ended American slavery and became the black man s greatest champion by granting him full civil and equal rights In fact according to Lincoln s own words nothing could be further from the truth After reading this eye opening book you ll be asking yourself the question Why then does Lincoln continue to be annually voted America s best favorite and most important president by people of all ages races religions and political persuasions The answer well known to Southerners for the past 150 years is that the real Lincoln has been carefully concealed from us by his faithful worshipers the Lincolmites some who are simply uninformed others who will stop at nothing to keep you from learning the facts about our sixteenth chief executive and his unconstitutional unnecessary and unjustifiable war In this handy Civil War Sesquicentennial Edition of The Unquotable Abraham Lincoln Southern historian and award winning Tennessee author Lochlainn Seabrook closely examines the politically incorrect statements they don t want you to know Included here among some 230 footnoted entries are Lincoln s controversial even un American views on his presidency the government the U S Constitution states rights the Union his war on the South abolition slavery colonization African Americans Mexicans mulattos the Confederacy the Southern people his Emancipation Proclamation Jesus the Bible Christianity and more This is an indispensable work for those interested in the American Civil War for without a true and complete understanding of Lincoln one will never have a true and complete understanding of the conflict itself Available in paperback and hardcover Civil War scholar Lochlainn Seabrook a descendant of the families of Alexander H Stephens and John S Mosby is the most prolific and popular pro South writer in the world today Known as the new Shelby Foote he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books A seventh generation Kentuckian of Appalachian heritage and the sixth great grandson of the Earl of Oxford Mr Seabrook has a forty year background in American and Southern history and is the author of the runaway bestseller Everything You Were Taught About the Civil War is Wrong Ask a Southerner His other works include The Great Yankee Coverup What the North Doesn t Want You to Know About Lincoln s War Confederate Flag Facts What Every American Should Know About Dixie s Southern Cross Confederacy 101 Amazing Facts You Never Knew About America s Oldest Political Tradition and Everything You Were Taught About American Slavery is Wrong Ask a Southerner **Speeches and Letters of Abraham Lincoln, 1832-1865** Abraham Lincoln, 2012-11-03 No man since Washington has become to Americans so familiar or so beloved a figure as Abraham Lincoln He is to them the representative and typical American the man who best embodies the political ideals of the

nation He is typical in the fact that he sprang from the masses of the people that he remained through his whole career a man of the people that his chief desire was to be in accord with the beliefs and wishes of the people that he never failed to trust in the people and to rely on their support Every native American knows his life and his speeches His anecdotes and witticisms have passed into the thought and the conversation of the whole nation as those of no other statesman have done He belongs however not only to the United States but to the whole of civilized mankind It is no exaggeration to say that he has within the last thirty years grown to be a conspicuous figure in the history of the modern world Without him the course of events not only in the Western hemisphere but in Europe also would have been different for he was called to guide at the greatest crisis of its fate a State already mighty and now far more mighty than in his days and the guidance he gave has affected the march of events ever since A life and a character such as his ought to be known to and comprehended by Europeans as well as by Americans Among Europeans it is especially Englishmen who ought to appreciate him and understand the significance of his life for he came of an English stock he spoke the English tongue his action told upon the progress of events and the shaping of opinion in all British communities everywhere more than it has done upon any other nation outside America itself **Speeches and Letters of Abraham Lincoln, 1832-1865** Abraham Lincoln, 1894
