Academy Little League:

The Academy Quinn Anderson,2018-09-17 True love stabs you in the front Nick Steele just wants a normal life cliché or not He had one once back in Chicago Before his father died and he took a year off from college to grieve Now he's starting fresh at a prestigious but tiny Catholic university Adjusting to small town life will be a challenge along with making friends and keeping his scholarship All he wants to do is blend in get his diploma and go back home But Sebastian Prinsen campus heartthrob and a notorious player has other plans He notices Nick right away and makes a bet with his two best friends Who can kiss the new kid first Nick seems immune to Sebastian's charms and yet genuine chemistry sparks between them Even worse real feelings do too Sebastian falls more and more every time Nick blows him off but if he comes clean about the bet Nick will hate him forever The last thing Nick wants is to fall in love while he's still grieving but Sebastian feels like home to him Nick wants that so badly he may ignore the warning signs and risk his fragile heart once more
