b) Suppose that Tsuro is considering investing a large sum of money in land that may be a site for a future retail shop. Rather than invest the funds in the land, the company could decide to invest the funds in high-grade securities. In the end, the land is acquired.

c) Steve is employed with a firm that pays him a salary of \$20 000 per annum. He is thinking of leaving the firm and go to university. Going to University would require him to give up his job and he does that.
