Abraham Lincoln And Frederick Douglass The Story Behind An American Friendship:

Abraham Lincoln and Frederick Douglass Russell Freedman, 2012 A clear sighted carefully researched account of two surprisingly parallel lives and how they intersected at a critical moment in U S history Lincoln and Douglass Nikki Giovanni, 2013-01-08 Our sixteenth president is known for many things he delivered the Emancipation Proclamation and the Gettysburg Address during the Civil War He was tall and skinny and notoriously stern looking And he also had some very strong ideas about abolishing slavery ideas which brought him into close contact with another very visible public figure Frederick Douglass Douglass was born a slave but escaped in 1838 and became one of the central figures in the history of the American abolitionist movement This book offers a glimpse into the unusual friendship between two great American leaders At a time when racial tensions were high and racial equality was not yet established Abraham Lincoln and Douglass formed a strong bond over shared ideals and worked alongside each other for a common goal Nikki Giovanni and Bryan Collier the acclaimed team behind *Rosa* winner of the Coretta Scott King Award and a Caldecott Honor book join forces once more to portray this historic friendship at a unique moment in time **Abraham Lincoln and Frederick Douglass** Therese M. Shea, 2021-07-15 Abraham Lincoln and Frederick Douglass had an unlikely friendship built on mutual respect Both had risen from poverty to prominence in the years prior to the Civil War due to hard work and a passion for their beliefs Lincoln grew to rely on Douglass for his advice during the war Readers will learn biographical information about both of these important Americans through accessible text and interesting fact boxes including quotations from each Stunning historical images give readers context about the turbulent times in which Lincoln and Douglass lived Abraham Lincoln's Presidency Catherine M. Andronik, Karen Latchana Kenney, 2016-08-01 Abraham Lincoln was born to poor parents in a log cabin on the western frontier of a young nation The unity of the United States which had been built on the ideal that all people are created equal was cracking under the heavy yoke of slavery As Lincoln embarked on his presidency the slaveholding states in the South left the Union causing him to face the American Civil War Lincoln said the war was no less than a fight to save government of the people by the people and for the people Though his life was cut short Lincoln's leadership and his written words continue to inspire Americans *Abraham Lincoln: a Spiritual Scientific Portrait* Luigi Morelli, 2021-07-20 This essay forms a continuation of American historical themes already explored from a phenomenological and symptomatic perspective It is added to the portraits of Franklin Washington Pocahontas Black Elk Martin Luther King and others The book tries to explain why scholars and historians from the 40s to the present consistently rank Lincoln as the best president in American history It seems his success rested on a unique individuality aided by personal connections fortuitous events synchronicities without which the nation would have ceased to be what it once was Lincoln achieved the feat of rescuing the soul of America without weakening its Republican institutions In Lincoln we can surmise an initiate of old His spiritual beliefs went beyond anyone of his time equal or second to Emerson Thoreau and the Transcendentalists alone

He wanted no less than to reconnect the nation to its original impulses in fact rededicate it and reconsecrate it This endeavor looks at the best of existing scholarship It assembles all the facets of a personality the frontier man the lawyer the politician the writer the orator the humorist the Commander in Chief and leader the thinker the Christian and spiritual leader until it can bring back to life his indomitable spirit and offer a full portrait **Teaching to Complexity: A Framework to**
