reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with
introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the
quality of these images so they represent accurately the original artefact Although occasionally there may be certain
imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Abraham

Fisher, 2019-05-07 At the end of the summer of 1859 twenty two year old Peachy Quinn Harrison was accused of murder in
Springfield Illinois The man hired to save his life was none other than self taught lawyer Abraham Lincoln But what would be
Lincoln s last case before his presidency posed many personal challenges The murder victim had been an apprentice in
Lincoln s law office The accused murderer was the son of a close friend and loyal supporter To win the trial Lincoln would
have to form an unholy allegiance with a longtime enemy a revivalist preacher he had twice run against for political office
And with the rise of newspapers the nation was watching the presidential hopeful very very closely Based on actual court
transcripts that include Lincoln s own words and adapted from Dan Abrams and David Fisher s New York Times bestseller
