listening to the pull in one's heart over the voice in one's head *One Lazy Summer* Billie L Hicks, 2022-01-28 Chelsey Bodeine is a lanky golden brown skinned preteen with a happy go lucky disposition She's as beautiful as the word angel and nothing seems to get her down Chelsey looks forward to finally becoming thirteen and leaving behind her preteen years Unfortunately she's not looking forward to the summer that stands between her and young womanhood She constantly reminds herself that after this summer her mother will no longer be able to say to her almost a young lady or almost a teenager She vows the word almost will no longer be a part of her vocabulary after the most important day of her life Chelsey remembers her grandmother always telling her that she became a young lady at the age of eleven She doesn't quite understand the difference between the young lady her grandmother became at the age of eleven and the young lady she dreams of becoming but she realizes that she will know once and for all what it means to be a young lady after this summer She figures out in her mind that the young lady her grandmother became at eleven isn't the young lady she has dreamed of becoming since she was ten All Chelsey cares about is becoming a full fledged teenager on September 1 Whenever she talks to her best friend Alisha about what her mother says that with young womanhood comes responsibilities Alisha becomes girly giggly and says That's not the kind of responsibilities your mom's talking about Chelsey puts her hands over her ears when Alisha becomes girly giggly Chelsey spends every other summer in Louisiana with her mother's oldest sister Aunt Ophelia but unfortunately this isn't the summer she'll be spending time with her favorite aunt The thought of not spending the most important summer of her life with Aunt Ophelia gives Chelsey a sick feeling in the pit of her stomach Chelsey's not looking forward to spending her summer alone and clueless This summer is the most important summer of her life and she will have to endure it without the wise advice and comforting arms of her Aunt Ophelia Chelsey knows that without Aunt Ophelia this will be one long and lazy summer **Everything Is Awful** Matt Bellassai, 2017-10-24 From the break out star of BuzzFeed comes a collection of hilariously anguished essays chronicling awful and humiliating moments from his life so far proving the mantra of his life and career being a human is hard work so you may as well make your story funny when you can Bustle Matt Bellassai has no idea what he's doing Well to be fair he did become semi Internet famous by getting drunk at work making him a socially acceptable nay professional alcoholic He's got some things figured out But the rest is all just a terrible disgusting mess This is Matt's book Just to clarify though it is absolutely not a memoir Matt is far too young to have done anything worth remembering though he did win an actual People's Choice Award for his BuzzFeed web series Whine About It which is pretty good if you ask his mother This is also most certainly not a book of advice he is too woefully ill prepared for life to offer anything in the way of counsel Call this a collection of awful moments that led to his grumbling blundering adulthood a chronicle of little indignities that when taken together amount to a life of hilarious anguish With keen wit and plenty of self deprecation Matt reveals how hard it is to shed his past as the Midwest's biggest nerd and how he came out to his friends and family the closet was a bit messy Matt also wrestles with the humiliations of adulthood like giving up on love
