Covers receipts and expenditures of appropriations and other funds      *The Vermont Manifesto* Thomas H. Naylor,2003-10-07 Not unlike other states Vermonts quality of life political independence and sustainability are threatened by Corporate America the U S government the war on terrorism homeland security American imperialism and globalization This is a call for Vermont to reclaim its soul to return to its rightful status as an independent republic as it once was between 1777 and 1791 In so doing Vermont can provide a kinder gentler more communitarian metaphor for a nation obsessed with money power size speed greed and fear of terrorism Long live the Second Republic of Vermont Reviews Vermont Manifesto is a serious examination of our God given right of self governance and that rights implication for secession Dr Naylor has made a persuasive case of the identical response to todays train of abuses that lead the Founders to secede from King Georges tyranny Walter E Williams John M Olin Distinguished Professor of Economics George Mason University In 1991 the Soviet Union was peacefully dissolved by the secession of 15 states It had become simply too large and centralized So has the American Union Thoughtful people from every side of the political spectrum are beginning to realize that the only check to the tyranny insecurity and spirit numbing mass culture that continued centralization would bring is to seriously consider breaking the American empire up into alternative unions and or smaller polities Professor Naylor is part of this debate and has made a compelling case that little Vermont would be better off out of the Union than in it Donald W Livingston Professor of Philosophy Emory University I must assure you of my pleasure in and approval of your views on the Second Vermont Republic The assertion by Vermonters of a sensible foreign policy is wonderfully to the good You have my agreement and my admiration John Kenneth Galbraith Retired Harvard Economist In the idea of the three American states ultimate independence whether separately or in union I see nothing fanciful and nothing towards the realization of which the efforts of enlightened people might not be usefully directed It is to my mind neither fanciful nor unjustified for us to hold in mind at this time the whole problem of the future development of the relationship with the northern parts of this country and their immediate Canadian neighbors George F Kennan Former Ambassador to Russia and Professor Emeritus Institute for Advanced Studies Princeton Thomas Naylor makes a powerful case for an independent Vermont I think folks may soon be ready to consider the kind of wise and humane radicalism he recommends Bill Kauffman Author of Dispatches from The Muckdog Gazette There are very few radical thinkers Thomas Naylor is one of the most courageous of these Distinguished deeply moral genius wild man Carolyn Chute Author of The Beans of Egypt Maine Merry Men and Snow Man Tom Naylor

makes a serious case for an independent Vermont a Second Vermont Republic that could immediately enter the world of nations and thereby begin the peaceful democratic and indeed moral process of disuniting the United States Frank Bryan University of Vermont Professor and Author of Real Democracy From the standpoint of puppeteers and their subversive papiermch the Vermont Second Republic sounds like a very good idea to fight the megalomania of the globalizers Peter Schumann Founder Bread Puppet Theater      *Secession* Thomas H. Naylor,2008 America has lost its moral authority to huge corporate interests say Secession movement leaders This remarkable dossier shows how a seemingly wild political idea continues to grow and create debate on the US unsustainable ungovernable and unfixable empire      *Pro File* American Institute of Architects,2001      **Internet Retailing** ,1999      *The Address Directory of Celebrities in Entertainment, Sports, Business & Politics* David R.
