The Missouri Compromise Heman Humphrey, 2017-11-28 Excerpt from The Missouri Compromise An Address Delivered Before the Citizens of Pittsfield This is a crisis in which we who love our country and bear the sacred office must speak and will speak If we should hold our peace the stones would immediately cry out If you could poll the whole ministry of the free States to day you would not find one in a hundred but that would remonstrate at the top of their voices against the repeal of the Missouri compromise which declares that from all the territory purchased of France lying north of 36 deg 30 min slavery and involuntary servitude otherwise than in the punishment of crimes shall be and is hereby forever prohibited In Speaking to you tonight I do not claim with Elihu to be quite full of the matter but I am so near full that I cannot hold my peace Though I have now been in the ministry almost fifty years I have never seen the time but once I allude to the violent expulsion of the Indians when the faith and honor and justice of the nation were so much in Danger of being tarnished as since the Opening of this Congress About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Address Delivered Before the Pro-Slavery Convention James Shannon, 2018-01-13 Excerpt from An Address Delivered Before the Pro Slavery Convention Of the State of Missouri Strike out of existence at once this vast amount of productive capital and it is not in the power of human arithmetic to compute or of human language to express the amount of financial ruin that would result not merely to the slaveholding but also to the non slaveholding States and to the civilized world Besides About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the
