Thesis/Claim	Does not meet the criteria for 1 point.	The essay responds to the prompt with a historically defensible thesis/claim that establishes a line of reasoning. To earn this point, the thesis must make a claim that responds to the prompt rather than restating or rephrasing the prompt. The thesis must consist of one or more sentences located in one place, either in the introduction or the conclusion.	n/a
Contextualization	Does not meet the criteria for 1 point.	The essay uses the content of at least three documents to address the topic of the prompt. To earn one point, the response must accurately describe — rather than simply quote — the content from at least three of the documents.	n/a
Evidence from the documents	Does not meet the criteria for 1 point.	Some reasoning and understanding of the historical topic and/or source(s) are demonstrated. The response attempts to explain the relationship between claims and support.	The essay supports an argument in response to the prompt using at least six documents. To earn two points, the response must accurately describe — rather than simply quote — the content from at least six documents. In addition, the response must use the content of the documents to support an argument in response to the prompt.
