Being Ana Shani Raviv,2025-07-30 Shani Raviv is a misfit teen whose peer pressured diet spirals down into full blown anorexia nervosa something no one in her early nineties local South African community knows anything about Fourteen year old Shani spends the next six years being Ana as many anorexics call it on the run from her feelings She goes from aerobics addict to Israeli soldier to rave bunny to wannabe reborn using sex drugs exercise and above all starvation to numb out everything along the way But one night at age twenty Shani faces the rude awakening that if she doesn't slow down break her denial and seek help she will starve to death Three years later her hardest journey of all begins the journey to let go of being Ana and learn to love herself Being Ana is an exploration into the soul and psyche of a young woman wrestling with anorexia's demons one that not only exposes the real horrors of a day in the life of an anorexic girl but also reveals the courage it takes to stop fighting and find healing Stepping Stones Marilea C. Rabasa,2025-07-30 Addiction is a stealth predator Unrecognized it will grow and flourish Unchecked it destroys Marilea Rabasa grew up in post WWII Massachusetts in a family that lived comfortably and offered her every advantage But they were also haunted by closely guarded family secrets Alcoholism reached back through several generations and it was not openly discussed Shame and stigma perpetuated the silence And Marilea became part of this ongoing tragedy From an unhappy childhood to a life overseas in the diplomatic service to now living on an island in Puget Sound Stepping Stones chronicles Marilea's experiences weaving a compelling tale of travel motherhood addiction and heartbreaking loss The constant thread throughout this story is the many faces and forms of addiction phantoms that stalk her like an obsessed lover What if anything will free her of the masks she has worn all her life An inspiring poignant recovery story Stepping Stones tells how Marilea took on the demons that plagued her all her life and defeated them Life's Accessories Rachel Levy Lesser,2025-07-30 Rachel Levy Lesser can relive almost every significant life event through an accessory A scarf a pair of earrings a bag even a fleece pair of socks each contains the elements that put together the story of a life Life's Accessories is a funny sad touching relatable shake your head right along as you laugh and wipe away tears coming of age memoir In fourteen essays Lesser tackles sensitive issues like anxiety illness and loss in a way that feels a bit like having a chat with a good friend Out of the stories comes solid life and fashion advice About far more than just a hair tie a bracelet or a belt Life's Accessories is a window into the many ways in which Lesser has come to understand life in all of its beauty its joys its sorrows its heartaches its challenges and its absurdity *Saving Sara* Sara Somers,2025-07-30 For nearly fifty years Sara Somers suffered from untreated food addiction In this brutally honest and intimate memoir Somers offers readers an inside view of a food addict's mind showcasing her experiences of obsessive cravings compulsivity and powerlessness regarding food Saving Sara chronicles Somers's addiction from childhood to adulthood beginning with abnormal eating as a nine year old As her addiction progresses in young adulthood she becomes isolated masking her shame and self hatred with drugs and alcohol Time and again she rationalizes why this time will be

different only to have her physical cravings lead to ever worse binges to see her promises of doing things differently next time broken and to experience the amnesia that she like every addict experiences when her obsession sets in again Even after Somers is introduced to the solution that will eventually end up saving her the strength of her addiction won't allow her to accept her disease Twenty six more years pass until she finally crawls on hands and knees back to that solution and learns to live life on life's terms A raw account of Somers's decades long journey Saving Sara underscores the challenges faced by food addicts of any age and the hope that exists for them all

Post-Weird Calum Lister Matheson, 2025-11-11 Post Weird Fragmentation Community and the Decline of the Mainstream is an ambitious look at how communities form when old forms of authority and meaning seem to be collapsing around us This book goes beyond the fraying of contemporary American culture to ask how communities that used to be considered fringe for better or worse come together Dr Matheson examines far flung groups from Appalachian serpent handling churches to Sandy Hook conspiracy theorists pro anorexia Internet forums to reactionary pseudoscientists finding consistent parallels amidst their diversity The key trend he identifies is anti rhetorical discourse the insistence that the symbols shared by each community represent a hidden truth that cannot be questioned or interpreted but is revealed through signs words images videos and texts Against these rigid worldviews Dr Matheson calls for a revival of the art of rhetoric not just as a set of techniques but as a creative curious orientation towards the world in all of its ambiguity and uncertainty

Ana: a Memoir of Anorexia Nervosa Syanne Centeno, 2018-11-28 Starving was my way of coping with life If I was starving then that meant that I did not have to face reality I did not have to think When you're starving you cannot think Every day feels like an out of body experience and everything sounds like you are swimming underwater When you have Anorexia Nervosa you aren't living you are merely existing You become a walking

corpse of the person you once were Your life becomes about finding ways to satisfy your disorder and nothing else really matters You know that there is a chance that you won't wake up the next morning but keeping the Anorexia alive is more important than keeping yourself alive You convince yourself that as long as you are hungry that somehow everything is okay This was my life for 10 12 years My name is Syanne Centeno and I found Anorexia as an eight year old little girl You could say that I accidentally stumbled upon this illness or maybe IT actually found ME I didn't know what Anorexia was and had never heard of it I actually didn't hear the term Anorexia Nervosa until I was 14 but had unknowingly been engaging in eating disorder behavior for years prior Anorexia is such a complex perplexing disorder Trying to explain why I developed this as a child is nearly impossible The only thing I can do is write down my experience and take you on a journey in my shoes in hopes that this will help someone somewhere understand the realities of living with an eating disorder This is the account of Syanne's journey with severe Anorexia Nervosa which she named Ana a deadly psychiatric illness that haunts thousands of young girls and women each year Throughout her honest gut wrenching tale she relives the horror of battling Ana for over a decade starting at the age of just eight years old and how it nearly took her life Along with Anorexia Nervosa Syanne speaks of the other mental illnesses she struggled with such as Depression Borderline Personality Disorder and self mutilation Without holding back Syanne highlights the realities of living with an eating disorder and what it took for her to overcome it
