Big God Little Problem:

Big God, Little Problem Randy Hignight, 2015-02-14 RANDY HIGNIGHT lived with almost constant failure when it came to temptation to sin He wrote this life changing book following a 5 year journey through darkness where God taught him to live in total victory Sin can be stopped at temptation but only by the grace and mercy of God Learn how to cancel your membership in the Sin Repent Club once and for all to live a life of personal holiness and obedience to Jesus Christ Attain a renewed biblical experience for your personal life From the Scriptures this book will explain What God expects Why you should attain it How you can attain it How to maintain victory every day Who you are fighting spiritual warfare How to recognize and stop at temptation Includes a behind the scenes look into the schemes of demonic forces and the powerful effects prayer has on that realm using a story telling narrative A great tool for teaching **Finding God When You Need Him Most** Chip Ingram, 2007-02-01 In this encouraging book Chip Ingram reveals how readers can meet God in the midst of their most difficult circumstances Chip s candid discussion personal stories and solid guidance will allow readers to move from knowing about God to profoundly experiencing his presence and power in their lives Whether they re struggling with rocky relationships unexpected crises depression or injustice Finding God When You Need Him Most will remind readers that the Lord is faithful to hear their heart s cry and will be there for them time and again *When God Speaks* Kynaston M. Ramsey, 2008-12-31 We all use numbers every day to bring precision into our communications whether it be reminding others of our birthday negotiating our salary keeping track of our weight or determining the price of a product Even more so in scripture God who created numbers uses them to bring His Word in the human language into sharper focus and to communicate His will His Word and His Way God created the numerical mode of communication It gives us additional understanding of His nature and character It also provides an avenue of learning which renders a more precise interpretation of the role and responsibility of each person of the Godhead of course limited by our frailties In addition it helps us to focus on the issues in the conflict between good and evil why God created us and the role we play in the great design Notwithstanding it also delivers an important sign as to the end of time Coming soon is the book WHEN GOD SPEAKS THE APOCALYPTIC INTERLUDE This book is intended to give insight into some of the numerical dynamics of Scripture and pointing toward the second coming of Jesus As we recognize the numerical patterns we will appreciate the added dimension they give to Bible study by highlighting and underlining important teachings **Little Faith, Big God** Debbie Wilson, 2020-02-11 God isn t looking for heroes of faith A thriving relationship with God is not built on our perfect performance but on our trust in a gracious Savior Hebrews 11 reveals one superhero Jesus Our God delights in flawed followers who trust him in the daily aspects of their lives He designed spiritual growth to be an ongoing journey of faith and delights in who you are becoming By exploring the lives of the people mentioned in Hebrews 11 Little Faith Big God will inspire you to persevere in your faith through the examples of biblical men and women who failed got up again finished well

and were commended by God With biblical principles to separate false hope from real faith present day stories to encourage you and guiding questions to invite personal reflection application and discussion Little Faith Big God will equip you to trade your self made superhero cape for a dynamic grace filled relationship with our big God Strategic Spiritual Warfare
