Big Brother Two Week Sleepover:

Heaven in My Eyes Kymm Civetta, 2023-02-14 *Heaven In My Eyes* is a true story of heaven and healing when a life threatening illness increased Kymm's intuitive gifts calling her to write and share her story. It inspires the reader revealing the higher perspective of how such a devastating challenge can be a gift and more importantly a direct calling from Heaven. You will walk closely with Kymm in this compelling true story of how she embraced her mission to become a Christian Clairvoyant in one of the most incredible testimonies authored. Sit riveted as she describes the visions she received from Jesus Arch Angel Michael Marion Callings from Mother Mary and loved ones in Heaven. You will be captivated by Kymm's mind expanding views on how we are all innately connected to Heaven. So full of true light love healing. Dani Hendersson US author *Kids Soul Speak* I'm riveted can't stop reading. Caroline M US Kymm writes with profound compassion. Audry L UK

Without Reserve Dorinda Vollmer, 2019-03-15 In this second volume of her memoir Dorinda Vollmer continues her life story following her departure from the Roseau River Indian Reserve in southern Manitoba in June 1981. Settling in Ontario she established her ministry in small rural towns first in Grand Valley and Monticello and then in New Liskeard Warsaw Millbrook and Orono United Churches. Sometimes she found herself mired in conflict and controversy because of her progressive and inclusive views of society. Using compassion and persistence she fought to build her role as a community leader and in the process learned a great deal about how we handle ourselves when we are frustrated and angry. This is the story of one woman's lifelong dedication to faith justice and humanity. It is also the story of those strong and balanced people around her who continue to live their faith and help to lift us all up and support others in whatever form their worship takes. It is a reminder to all to be more careful kinder and more respectful of others especially those who have no voice. These are stories that can translate into any life situation whether at work at school at home or in our social encounters. It is a story about reconciliation and transformation when we bring out the best in ourselves and in others. **Below the Salt** Christy Wolfe, 2025-06-01 Lucy a headstrong young woman of Appalachia won't wait for a solution to climate change she'll create one. Determined to prove her worth and driven by a passion for science Lucy proposes a daring plan to go back in time and change the course of history. To succeed she must enlist her skeptical brother Charlie and her secret crush Billy to act as her proxies. Their journey takes them to 1828 into the heart of the Appalachian Mountains along the deep and dirty Kanawha River Valley where a booming salt industry devours coal.
