Prevention of Textile Waste Naoko Tojo, 2012-10-22 Textile exerts various environmental impacts throughout its life cycle. Prevention of textile waste is one means to reduce these impacts. This study seeks to map out the flow of textile products in the three Nordic Countries: Denmark, Finland, and Sweden from the time they are put on the market until they are discarded. Based on the findings on the flows as well as on the perception of stakeholders, the study reviews and discusses government interventions that may be useful for the enhancement of textile waste prevention. Potential use of various policy instruments based on the concept of extended producer responsibility (EPR) is analysed. The study indicates a handful of areas where further research is needed in order to fine tune policy actions that would best address the situation specific to the case countries.

From Basement to Sanctuary Holly Christine Hayes, 2017-09-29 Sometimes it takes a step. When we find ourselves at our lowest, struggling with addiction and broken lives, sometimes it takes one step and one moment to begin a journey to recovery. But how do we take that step when we are trapped in a pit of despair and surrounded by a lie, seemingly unable to change, unable to live, and unable to cry out for help? *From Basement to Sanctuary* is a radical story of conversion and transformation that speaks to how God's strength truly can be made perfect through our weaknesses. Author Holly Christine Hayes spent her teen and young adult life mired in alcoholism and drug addiction, and she was in the grips of a downward spiral that led to a life of trauma, shame, and eventual homelessness. After an encounter with God in a public bathroom in 2001, her life was forever changed. God miraculously healed her and delivered her from her addiction, but it took years for her to find out who the God was that saved her. Through the telling of her story, Holly takes us on a journey through the surrender of the recovery meetings that gather in church basements to the wholeness and healing she found in the sanctuary of the church. All the while, she shares lessons she learned in the basement about who God really is and the miraculous ways he wants to heal our hurts, habits, sins, and setbacks.
