Bed Bath And Beyond Electric Kettle:

Unlikely Match Fiona Riley, 2017-06-20 I Shelly White is a coding genius who has mastered the IT world but hasn't quite mastered dating. While she searches for Ms. Right with the help of Samantha Monteiro's matchmaking agency, Shelly embraces her inner nerd and when one of her newest ideas turns into a creative goldmine, she hires PR exec Claire Moseley to help her professional dreams become reality. But is Claire the girl of her dreams in more ways than one? Being raised by four brothers has made Claire tenacious. Her assignment to Shelly's high profile project focuses her desire to prove her worth even though she secretly fears she's out of her depth. And she absolutely positively isn't going to let her growing attraction to Shelly White derail her career. When passions and ambitions overlap, Shelly and Claire must decide whether mixing business and pleasure can result in a perfect match.

The Regal Rules for Girls Jerramy Fine, 2012-08-07 Do you dream of moving to England, falling in love with a handsome British nobleman and living happily ever after in his ancestral castle? Time to stop dreaming and make that dream come true. We can't all go to college with Prince William and eventually marry the future King of England, but there are other ways to turn your dream into a reality. If you follow *The Regal Rules*, you'll learn not only how you can move to London, but how to dress like Kate Middleton, where to party with Prince Harry, and how to behave at Royal Ascot. Discover the secrets of polo and cricket, find out if you should don a hat or fascinator, and if you should eat your scones with jam or cream. With essential English etiquette, the do's and don'ts of the British Season, advice about UK immigration, hilarious yet very real parables, and lists of the best clubs, pubs, and sporting events to meet eligible Englishmen, this glamorous must-have manual is required reading for any girl that wants to cross the pond in style.

Craft Coffee: A Manual Jessica Easto, 2017-11-14 Named a top food/drink book of 2017 by Food Network, Wired, Sprudge, and Booklist, this comprehensive but accessible handbook is for the average coffee lover who wants to make better coffee at home. Unlike other coffee books, this one focuses exclusively on coffee, not espresso, and explores multiple pour-over, immersion, and cold brew techniques on 10 different devices. Thanks to a small but growing number of dedicated farmers, importers, roasters, and baristas, coffee quality is at an all-time high. But for nonprofessionals, achieving café quality at home can seem out of reach. With dozens of equipment options, conflicting information on how to use that equipment, and an industry language that at times doesn't seem made for the rest of us, it can be difficult to know where to begin. *Craft Coffee: A Manual*, written by a coffee enthusiast for coffee enthusiasts, is a comprehensive guide to improving your brew at home. The book provides all the information readers need to discover what they like in a cup of specialty coffee and how to replicate the perfect cup day after day. From the science of extraction and brewing techniques to choosing equipment and deciphering coffee bags, *Craft Coffee* focuses on the issues—cost, time, taste, and accessibility—that home coffee brewers negotiate and shows that no matter where you are in your coffee journey, you can make a great cup at home.
