Presentation Secrets Alexei Kapterev, 2011-08-31 Plan, create and deliver amazing presentations. Alexei Kapterev's online presentation on presentations has seen more than one million views all with no advertising or promotion. Building on this hit he now brings us *Presentation Secrets* outlining his successful tactics for planning, producing and presenting memorable and unique presentations. The author shares his insight, wisdom and advice with impressive clarity and detail covering the three main components required to a presentation: storyline, design, slide design and delivery. *Presentation Secrets* lets you get to work immediately, fully prepared, armed with confidence and ready to inspire. Teaches everything that goes into a successful and memorable presentation. Helps create a storyline from planning the beginning, middle and end to establishing key points to making a presentation scalable. Discusses how to design a slide template that meets your goals, ensure consistency and find focal points. Dissects the delivery of a presentation including how to create a character, integrate mistakes, listening to yourself, talking to the audience and avoiding monotony. Includes non presentation metaphor to drive home your understanding of storytelling, improvisation and delivery. Also featuring real world examples of presentations from the worlds of business, science and politics such as Steve Jobs, Hans Rosling and Al Gore, this unique book delivers tried and tested secrets and inside tips for making a sensational presentation.

Getting the Message Across Stéphane Faroult, 2016-11-21 Create memorable presentations on technical and complex topics in slideware such as Microsoft PowerPoint and Apple's Keynote for Mac. Learn good pacing and rhythm as well as judicious use of special effects. Whether the goal is to help a sale or to educate and whether the final delivery is a live presentation, a webinar or a short video presentation, this book focuses on the particular difficulties linked to technical presentations. You will learn to create a story when there is none, gain the interest of an audience who may not feel as strongly for the topic as the speaker does, turn abstract concepts into visual models, overcome the limitations of the medium, limited space, two dimensions, maintain interest through rhythm and use effects not to look cool or get that WOW moment but to serve the message. *Getting The Message Across* presents a number of field tested ideas for raising interest. The use of various techniques and careful scripting will help

you even if you aren't a natural born show person to communicate effectively and to make your audience remember your message and not necessarily your slides This book will teach you Rhythm and animations and the use of transitions To hold audience interest even with dry topics To create memorable presentations Techniques useful for PowerPoint Keynote for Mac and any similar presentation medium or environment What You Will Learn Turn austere topics into interesting stories Give rhythm and pacing to your presentations Build a narrative during transitions and animations Hold audience interest and make listeners feel clever Make people remember your presentation rather than your cool use of slideware Who This Book Is For People who have to communicate effectively on strongly technical topics This book targets educators and trainers as well as technical consultants who need to present complex solutions to customers or leads as well as would be speakers at scientific or technical conferences Getting The Message Across is a book for people who want to make their presentations not only more attractive but really memorable It is for people who aren't looking for a standing ovation but who are willing to do what they can to be understood and to make their messages remembered Getting The Message Across focuses on using slideware such as PowerPoint and Keynote Such slideware for all its flaws is still one of the best ways to communicate not only live but also in dematerialized communications webinars video tutorials for reaching an ever growing audience
